ASSIGNMENT

WHEREAS, we, Spencer B. Dick of Portland, county of Multnomah, state of Oregon, David A. Morgan of Portland, county of Multnomah, state of Oregon and David Lee of Vancouver, county of Clark, state of Washington, respectively, have invented certain improvements in SYSTEMS AND METHODS OF PROCESSING MATERIALS for which we have filed an application on August 20, 2003 and was given Serial No. 10/645,865.

WHEREAS, Precision Automation, Inc., a Washington corporation, having its principal place of business in Vancouver, county of Clark and state of Washington, is desirous of acquiring an interest therein:

NOW, THEREFORE, in consideration of the sum of Ten Dollars to me in hand paid, the receipt of which is hereby acknowledged, and for other good and valuable consideration, we the said Spencer B. Dick, David A. Morgan and David Lee have sold, assigned and transferred, and by these presents do sell, assign and transfer unto the said Precision Automation, Inc., the full and exclusive right to the said invention in the United States and its territorial possessions and in all foreign countries and the entire right, title and interest in and to any and all Letters Patent which may be granted therefor in the United States and its territorial possessions in any and all foreign countries and in and to any and all divisions, reissues, continuations and extensions thereof.

We hereby authorize and request the Patent Office officials in the United States and any and all foreign countries to issue any and all of said Letters Patent, when granted, to the said Precision Automation, Inc., as the assignee of my entire right, title and interest in and to the same, for the sole use of the said Precision Automation, Inc., its successors and assigns.

Further, we agree that we will communicate to the said Precision Automation, Inc., or its representatives any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, substitution, renewal and reissue applications, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to the said Precision Automation, Inc., make all rightful oaths and generally do everything possible to aid the said Precision Automation, Inc., its successors and assigns, to obtain and enforce proper protection for said invention in the United States and in any and all foreign countries.

IN TESTIMONY WHEREOF, I have hereunto set my hand this 30<sup>th</sup> day of January, 2004.
