ASSIGNMENT

WHEREAS, we, David K. Swanson, residing at 1458 Ridgeley Drive, Campbell, California 95008 and Huy D. Phan, residing at 966 Ketch Place, San Jose, California 95133 (the "ASSIGNORS"), have invented a new and useful **Cooled Probes And Apparatus For Maintaining Contact Between Cooled Probes And Tissue**; and

WHEREAS, SCIMED Life Systems, Inc., a corporation having a principle place of business at One SCIMED Place, Maple Grove, Minnesota, desires to acquire the exclusive right, title and interest in and to the invention and in and to any Letters Patent to be granted and issued therefor in the United States of America, its territories and possessions, and in all countries foreign to the United States of America; and

NOW, THEREFORE, for valuable consideration, the receipt and legal sufficiency of all of which is hereby acknowledged, we, the ASSIGNORS, have sold and do hereby sell, assign, transfer and set over unto SCIMED Life Systems, Inc., its successors and assigns, the entire right, title and interest in and to the inventions and all improvements thereon, in and to the application for Letters Patent thereon, in and to applications pertaining to or based upon the inventions and applications, including divisional and continuing applications and continuations-in-part, and in and to any and all Letters Patent which may be granted and issued on the inventions and applications, or any of them, for, to and in the United States of America, its territories and possessions, together with and including all priority rights based upon any and all applications in the United States of America covered by this Assignment, and in all countries foreign to the United States of America including any and all priority rights arising under International Treaty and/or Convention covered by this Assignment.

And for the above-named considerations, we, the ASSIGNORS, do hereby agree that we will, at the request of SCIMED Life Systems, Inc., its successors and assigns, execute any and all applications for Letters Patent for the inventions and any and all other papers and documents and do all other and further lawful acts that SCIMED Life Systems, Inc. may deem necessary or desirable to obtain Letters Patent on the inventions, to secure the grant of such Letters Patent and to perfect and vest in SCIMED Life Systems, Inc. the entire right, title and interest in the inventions, applications and Letters Patent.

And for the above-named considerations, we, the ASSIGNORS, do hereby authorize and empower SCIMED Life Systems, Inc., its successors and assigns, to apply for and obtain, in its or their own names, Letters Patent for the inventions before competent International Authorities and in any and all countries foreign to the United States in which applications for Letters Patent can be so made or Letters Patent so obtained.

The undersigned hereby authorize the firm of HENRICKS, SLAVIN & HOLMES LLP to correct errors in this assignment or to insert any further identification or other information necessary or desirable to make this assignment suitable for recordal in the United States Patent Office and the patent offices of all countries and regions foreign to the United States of America.
