Re: Patent No. 5,266,215

Dear Sirs:

The above-referenced patent has been assigned to my client, RCT Technologies, L.L.C.

Enclosed are two Assignments with regard to this patent. There are two assignments because of some confusion with regard to the current owner of the patent. The online records of the PTO indicate that Rolf Englehard is the owner. However, he believes he has previously recorded an Assignment of the subject patent to Life Spring Limited Partnership. As such, there is an Assignment from Mr. Engelhard directly to RCT Technologies as well as an Assignment from Life Spring Limited Partnership to RCT Technologies.

Please file and process the Assignment from whichever owner (either Mr. Engelhard or Life Spring) your records show to be the current owner. The other can be destroyed or returned to me (however you choose).

Also enclosed is a completed "Credit Card Payment Form" authorizing the PTO to charge the required \$40.00 fee to my MasterCard. Should you have any questions, please do not hesitate to contact me.
