ASSIGNMENT OF INVENTION

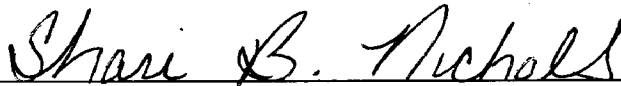

For valuable consideration, I, Robert S. Robinson, assign to Kaivac, Inc., a corporation of Hamilton, Ohio having a place of business at 401 South Third St., Hamilton, OH 45011, its successors, and assigns (collectively, the Assignee), my entire right, title, and interest throughout the world in the inventions and improvements which are the subject of my United States patent application entitled **Ergonomic Multi-Functional Cleaning Machine**, filed on October 14, 2003 and designated as Application No. 10/685,259. This assignment includes the application, any continuation, division, or continuation-in-part of the application, and/or substitute for the application, any and all United States and foreign patents, utility models, and design registrations granted for any of the inventions or improvements, and the right to claim priority based on the filing date of the application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes. As part of this Assignment, I: authorize the Assignee to apply in all countries, in my name or in its own name, for patents, utility models, design registrations, like rights of exclusion, and inventors' certificates, for the inventions and improvements; and agree, for myself, and for my heirs, legal representatives, and assigns, at the Assignee's expense and without further compensation, to perform lawful acts and to sign further applications, assignments, preliminary statements, and other lawful documents which the Assignee may reasonably require in order to accomplish this Assignment fully.
