ASSIGNMENT

For valuable consideration, AFFYMAX, INC. (hereinafter "Assignor"), a corporation organized and existing under and by the virtue of the laws of the State of Delaware and having a place of business at 4001 Miranda Avenue, Palo Alto, California 94304, USA, hereby assigns to SMITHKLINE BEECHAM CORPORATION, a company incorporated in Pennsylvania whose registered address is One Franklin Plaza, Philadelphia, Pennsylvania 19102, and its successors and assigns (hereinafter collectively called "the Assignee"), the entire right, title and interest throughout the world in the invention and improvements which are the subject of Appendix D attached hereto, and related applications and patents, this assignment including said applications, any and all United States and foreign patents granted for any of said inventions or improvements, including all divisions, continuations, reissues, continuations-in-part and extensions thereof, and the right to claim priority based on the filing date of said application and based on the filing date of any provisional application of which said application claims the benefit under the United States Patent Laws, the Paris Convention for the Protection of Industrial Property (Paris Convention), the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and the Assignor authorizes the Assignee to apply in all countries in our names or in its own name for patents and like rights of exclusion and for inventor's certificates for said inventions and improvements; and Assignor agrees for itself and its heirs, legal representatives and assigns, without further compensation, upon request to perform such lawful acts, to promptly provide Assignee with all pertinent facts and documents relating to said invention or application as may be known and accessible to it, to testify in any interference or litigation related to said invention or application and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this Assignment.

The Assignor hereby covenants that no assignment, sale, agreement, or encumbrance has been or will be made or entered into which would conflict with this Agreement.
