PATENT ASSIGNMENT (UNITED STATES OF AMERICA)

THIS PATENT ASSIGNMENT is made and entered into as of the 13 day of July, 2004.

WHEREAS Donald Roy Smith (the "**Inventor**"), owns a fifty percent (50%) interest in United States Patent Application No. No. 10/366,050, described as "Shale Bin/Settling Tank/Centrifuge Combination Skid" (together with any invention claimed therein) and all patents that may be issued therefore in the United States or elsewhere in the world and all inventions disclosed and claimed within the Patent Application, (collectively called the "**Patent Application**").

NOW THEREFORE, be it known that, for good and valuable consideration, receipt of which is hereby acknowledged, the Inventor hereby sells, assigns, transfers and sets over to BOS Rentals Ltd. ("**BOS Rentals**"), its lawful successors and assigns, the Inventor's entire right, title and interest in and to the Patent Application, the invention claimed therein, and any other patent application directed to the invention, all Letters Patent that may be granted thereon, and all reissues, re-examinations and extensions thereof; and all rights to claim priority on the basis of such application, and all applications for Letters Patent that may be filed for the invention in any foreign country and all Letters Patent that may be granted on the invention in any foreign country, and all extensions, renewals and reissues thereof; and the Inventor hereby authorizes and requests the Commissioner for Patents of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above to issue all Letters Patent for this invention to their successors and assigns, in accordance with the terms of this Agreement;

AND the Inventor hereby further covenants that the Inventor has the full right to convey the interest assigned by this Assignment, the Inventor will take all action and execute all documents necessary to perfect the interest assigned hereby, and the Inventor has not executed and will not execute any agreement in conflict with this Agreement;

AND the Inventor hereby further covenants and agrees that the Inventor, through its officers and employees, will, without further consideration, communicate with BOS Rentals, its successors and assigns, any facts known to the Inventor and its officers and employees respecting the invention and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver all papers that may be necessary or desirable to perfect the title to the invention in BOS Rentals, its successors and assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths, and generally do everything possible to aid BOS Rentals, its successors and assigns, to obtain and enforce proper patent protection for the invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by BOS Rentals, its successors and assigns.
