ASSIGNMENT

WHEREAS, the undersigned, Laurence Thompson, a citizen of the United States of America having an address of 5356 E. Pine Avenue, Fresno, CA 93727; Matthew Messer, a citizen of the United States of America having an address of 5356 E. Pine Avenue, Fresno, CA 93727; and Kevin Carlson, a citizen of the United States of America having an address of 5356 E. Pine Avenue, Fresno, CA 93727, have invented a new and useful HUBCAP FILTER for which application papers for United States Letter Patent have been executed by them this day; and

WHEREAS, the undersigned verily believes themselves to be the original, first and only joint inventors of the invention set forth in this application for Letters Patent; and

WHEREAS, the undersigned represent and warrant that they are the sole owners of the entire right, title, and interest in and to said invention and all Letters Patent granted therefor, and that the same is free and clear of all encumbrances; and

WHEREAS, Di-Pro, Inc, a corporation organized under the laws of the state of California, having an address of 5356 E. Pine Avenue, Fresno, CA 93727, is desirous of acquiring the entire right, title and interest in and to said invention and all Letters Patent granted therefor in the United States and throughout the world;

NOW THEREFORE, in consideration of \$10.00 and other valuable consideration paid to the undersigned, receipt whereof is hereby acknowledged, the undersigned do hereby sell, assign, transfer and set over to the said Di-Pro, Inc., the entire right, title, and interest in and to said invention and all improvements therein and all Letters Patent which may be granted

therefore in the United States and throughout the world, including the right to file foreign applications under the provisions of the International Convention directly in the name of the Assignee.

The undersigned hereby agree that upon request and without further compensation, but at no expense to the undersigned, they will do all lawful acts, including the execution of papers and the giving of testimony that may be necessary or desirable for obtaining, sustaining, reissuing and renewing United States Letters Patent and foreign Letters Patent for said invention and all improvements therein, and for perfecting and maintaining the title in its successor to said invention and particularly in cases of interference and litigation.

The undersigned hereby authorize and request the Commissioner of Patents in the United States and all foreign countries to issue all Letters Patent based on said above mentioned patent application and all divisions, continuations, continuation-in-part and renewals thereof to the said Di-Pro, Inc., its successors and assigns.

IN TESTIMONY WHEREOF, the undersigned have executed this instrument at Fresno, California, this 24 day of FEB, 2004.
