**ASSIGNMENT OF ENTIRE INTEREST**

I, **William James HUGHES**, whose full post office address is 6619 East 114 Street, Bixby, Oklahoma 74008 United States of America, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, do hereby assign to **SUNSTONE CORPORATION**, the Assignee, whose address is 101 N. Robinson, Suite 810, Oklahoma City, Oklahoma 73102 United States, its successors, assigns and legal representatives, the entire right, title and interest in, to and under:

Any and all inventions and discoveries made by me and disclosed in the applications for Letters Patent of the United States and Canada for an invention entitled **"IMPROVED TUBING CONTAINING ELECTRICAL WIRING INSERT"** as fully described and claimed in a Patent Application for a United States patent filed as Serial No. 10/146,288 filed May 15, 2002, with the Commissioner of Patents of the United States Patent and Trademark Office and in a Patent Application for a Canadian patent filed as Serial No. 2,390,345, filed June 11, 2002, with the Commissioner of Patents of the Canadian Intellectual Property Office; any and all applications for Letters Patent of that or any other country which have been or may be filed, based either in whole or in part upon any or all of said inventions or discoveries, including all rights of priority under the International Convention in foreign countries and the right to file and prosecute such applications; and any and all Letters Patent which have been or may be granted by that or any other country based either in whole or in part upon any or all of said inventions or discoveries on said applications;

TO HAVE AND TO HOLD the same with all the rights and privileges enjoyed by myself or which would have been enjoyed by myself had I not hereby assigned. And I hereby authorize and request the Commissioners of Patents, or other proper office, to issue any and all such Letters Patent to the Assignee herein named. And I hereby covenant, for myself and my legal representatives and assigns, that I neither have executed nor will execute any instrument or perform any act in conflict herewith, and that I, and my heirs, legal representatives, and assigns, will at all times do such acts and execute such papers, without expense to myself, as from time to time may be necessary or useful to apply for, secure, defend, maintain, reissue, or extend any or all of said Letters Patent, to secure for said Assignee the full benefits of said inventions or discoveries, or otherwise to carry into full force and effect the text and intent of this assignment.
