ASSIGNMENT

WHEREAS, We, Marsha Kent, residing at 171 Kalindi Rd., Austin, Texas 78737, and Ron Lynch, residing at 7124 Covered Bridge Dr., Austin, Texas 78736 (“ASSIGNORS”), have invented a “Light Therapy Device,” for which a design patent application is being concurrently filed in the United States Patent and Trademark Office;

WHEREAS, Sylmark Holdings Limited (“ASSIGNEE”), having a place of business at 98 Lower Baggot Street, Dublin 2, IRELAND, is desirous of acquiring the entire right, title and interest in the same;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is acknowledged, ASSIGNORS by these presents sell, assign, and transfer unto ASSIGNEE the full, exclusive and entire right to the said invention worldwide and the entire right, title and interest in and to any and all patents which may be granted therefor, including any patents deriving from the application identified herein; and

We hereby request the Commissioner of Patent and Trademarks to issue any and all Letters Patent of the United States resulting from said application, or from a division, continuation, or reissue thereof to **Sylmark Holdings Limited**, as the assignee, for its interest and for the sole use and benefit of **Sylmark Holdings, Limited**, and its assigns and legal representatives to the full end of the term for which said patent may be granted, as fully and entirely as the same would have been held by us had this assignment and sale not been made;

For the same consideration, We, by the presents do sell, assign, and transfer to ASSIGNEE, the full, exclusive, and entire right, title and interest in and to any foreign application or applications corresponding to said application, in whole or in part, in and to any Letters Patent and similar protective rights granted on said foreign application, and in and to the right to claim any applicable priority rights arising from or required for said foreign applications under the terms of any applicable conventions, treaties, statutes, or

regulations; said foreign applications to be filed and issued in the name of ASSIGNEE, or its designee, insofar as permitted by applicable law;

AND, for the same consideration, we agree to sign all lawful papers, execute all division, continuing, reissued and other applications, make all assignments and rightful oaths, and generally do everything possible to aid ASSIGNEE, its successors, assigns, and nominees, to obtain and enforce proper protection for all said inventions and improvements in all countries throughout the world.
