ASSIGNMENT

ASSIGNMENT made by William H. Bauman, of 600 Cleveland Street, Merrill, Wisconsin, 54452, United States, a United States citizen, and Mark R. Meyer, of 1201 Lark Street, Merrill, Wisconsin, 54452, United States, a United States citizen, to Merrill Millwork, Inc., a corporation organized under the laws of the State of Wisconsin, and located and doing business at 1300 West Taylor Street, Merrill, Wisconsin 54452, United States.

IN CONSIDERATION of One Dollar (\$1.00) and other good and valuable considerations, the receipt of which is hereby acknowledged, said William H. Bauman and Mark R. Meyer, hereby sell, assign and transfer to said Merrill Millwork, Inc., its successors and assigns, the entire right, title and interest in:

WEEPED END PLUG FOR SILL ASSEMBLY

and the invention therein as set forth in their application for United States Letters Patent therefor, executed on December 7, 2001, and in and to said application and any divisions or continuations thereof, and any Letters Patent obtained for the said invention in the United States and foreign countries, or issuing out of said application or any such division or continuation thereof, and any reissues, reexamination or extension of any such Letters Patent.

The Commissioner of Patents is hereby authorized and requested to issue Letters Patent for said invention to said Merrill Millwork, Inc., as assignee of the entire right, title and interest therein.

And, said William H. Bauman and Mark R. Meyer hereby covenant that they have full right to convey the entire right, title and interest in said invention, and that they have not executed and will not execute any agreement in conflict herewith.

And they further covenant that they will, at any time, upon request, execute and deliver any and all papers that may be necessary or desirable to perfect the title in said Merrill Millwork, Inc., to said invention or any Letters Patent that may be granted therefor, and if said Merrill Millwork, Inc., or its assignee, desire to make a substitute, divisional or continuation application for said invention, or to secure a reissue, reexamination or extension of said Letters Patent, to file a disclaimer relating thereto, or an application for a corresponding patent in any foreign country, that they will upon request, sign all papers, make all rightful oaths, and do all lawful acts requisite for the said purposes, but at the expense of said Merrill Millwork, Inc.

William H. Bauman and Mark R. Meyer further hereby acknowledge that the entire beneficial interest in the invention to which the above application relates is irrevocably vested in the assignee including the right to make application for protection

Customer Number: 26753

in all countries abroad and to claim priority under the International Convention for such applications and hereby assent to the making of any such applications, with or without priority claim, and of any divisional application resulting therefrom.

And, they further covenant that they will at all times communicate to the said Merrill Millwork, Inc., its successors, assigns or legal representatives, all facts relating to said invention and Letters Patent, or the history thereof, known to them, and testify as the same in interferences or other litigation, when requested so to do.

We hereby authorize the above-mentioned assignee or the attorney of record to insert in this instrument the filing date and serial number of our said application:
