ASSIGNMENT

FOR GOOD AND VALUABLE CONSIDERATION, the receipt, sufficiency and adequacy of which are hereby acknowledged, the undersigned, does hereby:

SELL, ASSIGN AND TRANSFER to the Board of Regents of the University of Texas at Austin. (the "Assignee"), having a place of business at Office of Technology Licensing and Intellectual Property, 3925 West Braker Lane, Suite 1.9A, Mail Code R3500, Austin Texas, 78759, the entire right, title and interest, whether vested or contingent, presently held by the undersigned for the United States and all foreign countries, in and to any and all improvements which are disclosed in United States Letters Patent Application Serial No. 09/175,232 filed on October 20, 1998, and issued June 5, 2001 as U.S. Patent No. 6,241,662, recorded at the U.S. Patent and Trademark Office, Reel 9934, Frame 0120 and is entitled "Acetic Acid as a Signal Enhancing Contrast Agent in Fluorescence Spectroscopy." This sale, assignment and transfer applies to such application and all divisional, continuing, continuation-in-part, substitute, renewal, reissue and all other applications for patent which have been or shall be filed in the United States and all foreign countries on any of such improvements; all original and reissued patents which have been or shall be issued in the United States and all foreign countries on such improvements; and specifically including the right to file foreign applications under the provisions of any convention or treaty and claim priority based on such application in the United States;

AUTHORIZE AND REQUEST the issuing authority to issue any and all United States and foreign patents granted on such improvements to the Assignee;

WARRANT AND COVENANT that the Board of Regents of the University of Texas at Austin is the proper owner, and holds or should hold all rights under and title to, the Patent Application, U.S. Patent No. 6,241,662 and any other patents that may result or relate to the Patent Application and that the prior assignment to LifeSpex, Inc. was made in error and without valid consideration and is therefore void or voidable under Texas law, cancelled and rescinded; and further warrants and covenants that no other assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been or will be made to others by the undersigned;

COVENANT that, when requested and at the expense of the Assignee, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all such improvements; execute all rightful oaths, declarations, assignments, powers of attorney and other papers; communicate to the Assignee all facts known to the undersigned relating to such improvements and the history thereof, and generally do everything possible which the Assignee shall consider desirable for securing, maintaining and enforcing proper patent protection for such improvements and for vesting title to such improvements in the Assignee;

TO BE BINDING on the heirs, assigns, representatives and successors of the undersigned and extend to the successors, assigns and nominees of the Assignee.
