Assignment of Patent and Patent Rights

WHEREAS, Elan Pharma International Limited, WIL House, Shannon Business Park, Shannon, County Clare, Ireland ("*Assignor*"), owns the rights for inventions as evidenced by its ownership of patents and patent applications listed on **Schedule A** hereto; and

WHEREAS, Elan Pharma SA ("*Assignee*"), having a place of business at Mezzovico-Vira, Switzerland, has an interest in acquiring right, title and interest in said patents and patent applications and in obtaining an assignment thereof in a form suitable for recording in appropriate patent offices.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, *Assignor* does hereby assign and transfer to *Assignee*, its successors and assigns throughout the world, its entire right, title and interest (including the right to sue and recover for past infringement) in and to the patents and patent applications listed on Schedule A hereto, together with all non-provisional, divisional, continuation, continuation-in-part, reissue and other patent applications based thereon, and any and all patents and like rights of exclusion (including extensions thereof) of any country which may be granted thereon (collectively, "*Patents and Patent Applications*"), as well as all of the rights incident to such ownership, including but not limited to manufacturing, use, sale and importation of the products and / or methods evidenced by the said *Patents and Patent Applications*, to be held and enjoyed by the said *Assignee* for its own use and behalf and for its successors and assigns.

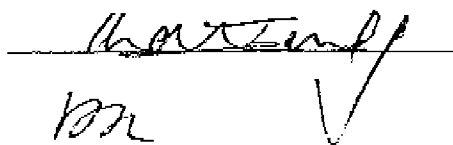

Assignor warrants to *Assignee* that it has not previously assigned said *Patents and Patent Applications*, and there are no liens of any nature against any of said *Patents and Patent Applications* arising out of the actions of the *Assignor*. *Assignor* further acknowledges that *Assignee* shall have no obligation whatsoever to pay any additional consideration to *Assignor*, including but not limited to royalties, by reason of this Assignment. *Assignee* shall be responsible for the payment of all maintenance fees and other fees necessary for the *Patents and Patent Applications* to be subsisting.

Assignor agrees for itself and its successors, representatives and assigns without further compensation to perform such lawful acts and to sign such further applications, assignments, preliminary statements and other lawful documents as the *Assignee* may reasonably request to effectuate fully this Assignment.

19th **IN WITNESS WHEREOF**, the *Assignor* executed, this Assignment this _____ day of January 2004
