ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, I, the undersigned, David C. Young of 467 Bangor Road, Benton, ME 04901, hereby:

1. Sell, assign and transfer to The Brigham and Women's Hospital, Inc., a Massachusetts corporation having a place of business at 75 Francis Street, Boston, MA 02115, its successors, assigns and legal representatives, and Trustees of Boston University, a Massachusetts corporation having a place of business at 147 Bay Street, Boston, MA 02109, its successors, assigns and legal representatives, all hereinafter referred to as the Joint Assignees, my entire right, title and interest for the United States and all foreign countries, in and to any and all inventions and designs which are disclosed in the application for United States Letters Patent filed in the United States Patent and Trademark Office on April 19, 2004 under Serial No. 10/827,616 bearing Attorney Docket No. B0801.70269US01, and titled METHODS AND COMPOSITIONS FOR IMMUNOMODULATION USING CD1 ANTIGENS, and in and to said application and all non-provisional, divisional, continuing, substitute, renewal, reissue and all other applications for Letters Patent, utility models, industrial designs or similar intellectual property rights which have been or shall be filed in the United States, internationally, and in any all foreign countries on any of said inventions; and in and to all original and reissued patents which have been or shall be issued in the United States or any other jurisdiction and all foreign countries on said inventions, including the right to apply for patent rights in each foreign country and all rights to priority;
2. Agree that said Joint Assignees may apply for and receive Letters Patent and utility model and industrial design registrations for said inventions in its own name; and when requested, without charge to but at the expense of said Joint Assignees, I agree to carry out in good faith the intent and purpose of this assignment, by executing all non-provisional, divisional, continuing, substitute, renewal, reissue, and all other patent, utility model and industrial design applications on any and all said inventions, by executing all rightful oaths, assignments, powers of attorney and other papers, by communicating to said Joint Assignees all facts known to me relating to said inventions and the history thereof, and generally by doing everything reasonably possible which said Joint Assignees shall consider desirable for aiding in securing and maintaining proper patent protection for said inventions and for vesting title to said inventions and all applications for patents and all patents on said inventions, in said Joint Assignees;
3. Hereby request the Honorable Director of the U.S. Patent and Trademark Office to issue said Letters Patent to said Joint Assignees;
4. Authorize and request Wolf, Greenfield & Sacks, P.C. to supply any missing patent/application identification information or correct any errors in the patent/application identification information provided above, whether discovered prior to or after recordation; and

5. Covenant with said Joint Assignees that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by me and that full right to convey the same as herein expressed is possessed by me.

This instrument is executed under seal.
