PATENT ASSIGNMENT

This Patent Assignment ("Assignment") is for the transfer of rights in the Patent and Patent Applications (as defined herein) from M.A.G. Eng. and Mfg. Co., Inc., a California corporation, having its principal place of business at 15381 Assembly Lane, Huntington Beach, California, 92649 ("MAG") to The Howard and Veronica Allenbaugh Family Trust, dated October 19, 1992, having a mailing address at 19525 Woodlands Lane, Huntington Beach, California 92648 (the "Allenbaugh Trust").

WHEREAS, MAG owns the entire right, title, and interest in the patent listed in Schedule A, attached hereto and incorporated herein by this reference, the inventions disclosed in that patent and all other rights appurtenant thereto ("Patent");

WHEREAS, MAG owns the entire right, title, and interest in the patent applications listed in Schedule B, attached hereto and incorporated herein by this reference, and the inventions disclosed in those patent applications (collectively referred to as "Patent Applications");

WHEREAS, the Allenbaugh Trust desires to acquire the entire right, title, and interest in and to the Patent and Patent Applications, the inventions disclosed therein, and any and all improvements related to the inventions.

WHEREAS, MAG is willing to assign to the Allenbaugh Trust the entire right, title, and interest as MAG may possess in and to the Patent and Patent Applications, the inventions disclosed therein, and any and all improvements related to the inventions.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, MAG hereby sells, assigns, transfers, and sets over unto the Allenbaugh Trust, its successors, legal representatives, and assigns, the entire right, title, and interest throughout the world in, to and under:

- (1) the Patent, set forth in Schedule A; and
- (2) the Patent Applications, set forth in Schedule B;

together with the inventions disclosed in the Patent and/or the Patent Applications ("Inventions"), all Letters Patent of the United States which may be granted thereon, all improvements related thereto, all continuations thereof, all reissues and extensions thereof, all rights of priority under International Conventions and applications for Letters Patent which may hereafter be filed for the Inventions and any improvements in any country or countries, all Letters Patent which may be granted for the Inventions and any improvement in any country or countries foreign to the United States and all extensions, renewals and reissues thereof, any causes of action for infringement of any patent claiming the Inventions and/or improvements related thereto, and the right to recover

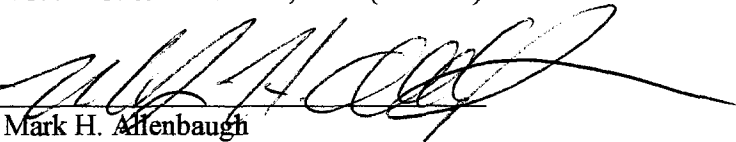

and collect any damages for past infringement of any patent claiming the Inventions and/or improvements related thereto.

MAG hereby agrees that it will authorize and request the Commissioner of Patents of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for the Patent Application, the inventions and any improvements to the Allenbaugh Trust, its successors, legal representatives and assigns.

MAG hereby agrees that it will communicate to the Allenbaugh Trust, its successors, legal representatives and assigns, any facts known to it with respect to the Patent Applications and/or Patent, the inventions disclosed therein and any improvements, will testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, will make all rightful oaths, and will generally do everything possible to aid the Allenbaugh Trust, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for the inventions disclosed in the Patent and Patent Applications and any improvements therefrom in all countries.

IN WITNESS WHEREOF, MAG has caused this Assignment to be executed by its duly authorized representative below.

M.A.G. ENG. & MFG. CO., INC. ("MAG")
