ASSIGNMENT

WHEREAS, 1263152 Ontario Inc. ("Assignor"), an Ontario Corporation, owns the entire right, title and interest in the inventions described in the United States patents and patent applications set forth in Schedule "A" ("U.S. Patents") attached to and forming part of this Assignment;

WHEREAS, Trudell Medical International ("Assignee") a registered name of an Ontario partnership comprised of Trudell Partnership Holdings Limited and Packard Medical Supply Centre Ltd., having a place of business at 725 Third Street, London, Ontario, Canada N5V 5G4, desires to acquire the entire right, title and interest in and to the inventions, the U.S. Patents, and all foreign and domestic patents and patent applications as set forth below.

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00), and other valuable and legally sufficient consideration, the receipt of which by the Assignor from the Assignee is hereby acknowledged, the Assignor has sold, assigned and transferred, and by these presents does sell, assign and transfer to the Assignee:

- (a) the entire right, title and interest in and to said inventions, U.S. Patents and any patent applications pending, or patents that may issue, for said inventions in the United States and any foreign countries;
- (b) the entire right, title and interest in and to all foreign and domestic patents and patent applications that rely on any one or more of the U.S. Patents for priority; and
- (c) the entire right, title and interest in and to all continuations, divisions, reissues, renewals and extensions of any of the domestic and foreign patent applications and patents identified above, and all applications claiming the benefit of any of the foregoing;

to have and to hold for the sole and exclusive use and benefit of the Assignee, its successors and assigns, to the full end of the term or terms for all such patents;

AND the Assignor assigns and transfers to the Assignee the entire right, title and interest in and to the right to sue for any infringement of any U.S. Patents and any other patents and patent applications as identified above, occurring prior to the date of this assignment, and the right to recover any damages resulting from said infringement.

The Commissioner of Patents and Trademarks of the United States and any official of any foreign country, whose duty it is to issue patents on applications as described above, are hereby authorized and requested to issue patents to the Assignee in accordance with the terms of this Assignment.

IN TESTIMONY WHEREOF, the Assignors have executed this agreement.
