A S S I G N M E N T

WHEREAS, I, James Mazur, a citizen of the United States, residing in the city of Fort Lauderdale, in the country of the United States whose post office address is 1050 S.W. 9th Street, Ft. Lauderdale, FL 33315 and I, Alan Flum, a citizen of the United States, residing in the city of Tamarac, in the country of the United States, whose post office address is 7251 Solandra Lane, Tamarac, FL 33321, am the inventor of an invention entitled "OPTICAL NAVIGATION SYSTEM FOR ROTARY CONTROL BASED NON-CONTACT CONTROLLER" as set forth and described in the application for Letters Patent of the United States filed March 1, 2004;

WHEREAS, Stanton Magnetics, Inc., a corporation organized under the laws of the State of New York, and having a principal place of business at 2700 Quantum Blvd., Boynton Beach, Florida 33426, is desirous of acquiring the entire right, title and interest in and to said invention and any improvements thereon, and in and to the said application U.S. Serial No. 10/790,441, filed March 1, 2004, and any Letters Patent which may be obtained therefor;

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, BE IT KNOWN, that Alan Flum and James Mazur, for and in consideration of the sum of One Dollar (\$1.00), lawful money of the United States, to it in hand paid by said Stanton Magnetics, Inc., and other valuable considerations unto it moving from said Stanton Magnetics, Inc., at or before the ensealing and delivery of these presents, the receipt of which is hereby acknowledged, has sold, assigned, transferred and conveyed and by these presents do sell, assign, transfer and convey, unto said Stanton Magnetics, Inc., its successors and assigns, the entire right, title and interest and to the said invention entitled "OPTICAL NAVIGATION SYSTEM FOR ROTARY CONTROL BASED NON-CONTACT CONTROLLER" as set forth and described in the application for Letters Patent filed March 1, 2004, and any and all improvements thereon, and any division, continuation or continuation-in-part application thereof, and in and to any Letters Patent of the United States which may be issued on any of said applications, and any reissues thereof, and in and to any and all applications for Letters Patent filed in foreign countries for said invention or improvements, including all priority rights under the Paris Convention, and any and all Letters Patent which may be granted in foreign countries therefor,

TO HAVE AND TO HOLD THE SAME to the full end of the term or terms for which any and all said Letters Patent may be granted;

AND Alan Flum and James Mazur, for the considerations aforesaid, do hereby covenant and agree to and with Stanton Magnetics, Inc., its successors and assigns, that they have the full power to make this assignment, and that the rights assigned are not encumbered by any grant, license or right heretofore given, and that they, their executors or administrators, shall and will do all lawful acts and things and make, execute and deliver

1142518A01030104

without further compensation, any and all other instruments in writing, further applications, papers, affidavits, powers of attorney, assignments and other documents which, in the opinion of counsel for said Stanton Magnetics, Inc., successors and assigns, may be required or necessary to more effectively secure to and vest in said Stanton Magnetics, Inc., its successors and assigns, the entire right, title and interest in and privileges and advantages hereby sold, assigned, transferred and conveyed, and that it will sign any applications for reissue which maybe desired by the owner of the patent or patents which may be issued for the said invention or improvements.

IN WITNESS HEREOF, WE, the said Alan Flum and James Mazur, have hereunto set our hand and seal on the date below written.
