ASSIGNMENT

For valuable consideration, we, TERRY ROLON of Hammer, VA,
and RAJ JALAN of _____, hereby assign to
Foundry Networks, Inc., a corporation of Delaware having a place of business at 2100 Gold
Street, Alviso, California 95002; and its successors and assigns (collectively hereinafter called
"the Assignee"), the entire right, title and interest throughout the world in the inventions and
improvements which are subject of an application for United States Patent signed by us, entitled
SECURING AN ACCESS PROVIDER, filed November 03, 2003, and assigned U.S. Serial
Number 10/698,933, and we authorize and request the attorneys appointed in said application to
hereafter complete this assignment by inserting above the filing date and serial number of said
application when known; this assignment including said application, any and all United States
and foreign patents and applications, utility models, and design registrations granted for any of
said inventions or improvements, and the right to claim priority based on the filing date of said
application under the International Convention for the Protection of Industrial Property, the
Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like
purposes; and we authorize the Assignee to apply in all countries in our name or in its own name
for patents, utility models, design registrations and like rights of exclusion and for inventors'
certificates for said inventions and improvements; and we agree for ourselves and our respective
heirs, legal representatives and assigns, without further compensation to perform such lawful acts
and to sign such further applications, assignments, Preliminary Statements and other lawful
documents as the Assignee may reasonably request to effectuate fully this assignment.

IN WITNESS WHEREOF, I hereto set my hand and seal at Hammer, VA
