ASSIGNMENTtoThe University of Washington
Seattle, Washington

WHEREAS, Eric J. Seibel, Thomas A. Reh and Blake Miller have made certain inventions in a SCANNING LASER DEVICE AND METHODS OF USE for which Eric J. Seibel, Thomas A. Reh and Blake Miller have executed an application for Letters Patent filed in the U.S. Patent Office on July 9, 2004, as Application No. 10/888,428; and

WHEREAS, the University of Washington at Seattle, Washington, is desirous of acquiring an interest in the said invention and in any patent or patents to be obtained therefor;

NOW, THEREFORE, to All Whom It May Concern, be it known that, for and in consideration of the sum of One Dollar (\$1.00) to Eric J. Seibel, Thomas A. Reh and Blake Miller in hand paid by said University of Washington, and other good and valuable considerations, the receipt of which is hereby acknowledged, Eric J. Seibel, Thomas A. Reh and Blake Miller have sold, assigned, and transferred, and by these presents do sell, assign, and transfer unto said University of Washington, the entire right, title, and interest in and to the invention shown, described, and claimed therein, and the full and exclusive right and title in and to said application, including any continuations, divisions and renewals thereof; and in and to any patent or patents which issue therefrom including reissues and extensions thereof; and Eric J. Seibel, Thomas A. Reh and Blake Miller do hereby authorize and request the Commissioner of Patents or other proper officers, to issue such Letters Patent, or any of them, to said University of Washington as the assignee of their entire right, title, and interest in and to the same for the sole use and behoof of said University of Washington, and its successors or assigns.

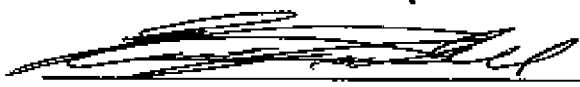

And Eric J. Seibel, Thomas A. Reh and Blake Miller further covenant and agree that Eric J. Seibel, Thomas A. Reh and Blake Miller will, at the request and expense of said University of Washington, execute such other and further assurances of title as may be necessary or proper to fully convey the interest herein sought to be conveyed; that Eric J. Seibel, Thomas A. Reh and Blake Miller will, at the request and expense of said University of Washington, execute such application papers as may be desired by said University of Washington for the filing of any continuation, division or renewal of the application herein conveyed, or for reissues or extensions of any Letters Patent that may be granted upon said application, and will execute such Supplemental Oaths and Preliminary Statements, or other papers as desired by said University of Washington.

And Eric J. Seibel, Thomas A. Reh and Blake Miller further assign unto said University of Washington the whole right, title, and interest to said invention throughout all countries foreign to the United States, and do hereby authorize said University of Washington to apply for international patents and patents therefor in its own name in countries where such procedure is

proper and to claim the benefit of the International Convention and do agree to execute applications for the said invention in the several countries where it is necessary that the same be executed by the inventors, and to execute assignment of such applications and the patents to be obtained therefor to said University of Washington, the assignee herein, as well as all other necessary papers.
