Purchase Agreement

Agreement, dated as of the 16th day of August, 1995, by and among Metallon Materials Acquisition Corporation, a corporation organized and existing pursuant to the laws of the state of Delaware (the "Purchaser"), Metallon Engineered Materials Corporation, a corporation organized and existing pursuant to the laws of the state of Delaware ("Metallon"), Aegis II Limited Partnership, a Massachusetts limited partnership ("AII"), Aegis Fund Limited Partnership, a Massachusetts limited partnership ("AFL"), Aegis Select Limited Partnership, a Delaware limited partnership ("ASL") and Transitions Two, Limited Partnership, a Delaware limited partnership ("Transitions") (AII, AFC, ASL and Transitions are hereinafter collectively referred to as the "Principal Stockholders") (Metallon, AII, AFL, ASL and Transitions are hereinafter collectively referred to as the "Sellers") (the "Agreement").

W I T N E S S E T H :

WHEREAS, Metallon desires to sell and transfer, and Purchaser desires to purchase and acquire, in exchange for the consideration hereinafter specifically set forth, such of the business and assets of Metallon as are hereinafter described, each upon the terms and conditions hereinafter set forth.

#206413

NOW, THEREFORE, in consideration of, and subject to, the premises and mutual agreements contained herein, the parties hereto, intending to be legally bound hereby, agree as follows:

ARTICLE I

Sale and Purchase

1.1 Assets. Metallon hereby agrees to sell, transfer, assign, convey and deliver to the Purchaser, and the Purchaser hereby agrees to purchase, acquire and accept from Metallon, such of the business and assets, excluding only those assets delineated in section 1.3 hereof, of Metallon as are used in connection with the operations of Metallon located at 690 Narragansett Park Drive, Pawtucket, Rhode Island 02861 (all of such assets, property and business to be hereinafter collectively referred to as the "Assets"), upon the terms, and subject to the conditions, hereinafter set forth. The Assets so to be sold, assigned and transferred are all, excluding only such assets as are delineated in section 1.3 hereof, of the properties and assets of Metallon of whatever kind, nature and description, tangible and intangible, real or personal, wherever situated, or in which Metallon has any right or interest, and such are described as including, but not limited to,

(a) all notes, trade and other accounts receivable (other than those delineated in section 1.3 hereof), royalties, deferred charges, advance payments, prepaid items (other

than income taxes), claims for refunds (other than income tax refunds), rights of offset and credits (other than income tax credits);

(b) all property, plant and equipment including, but not limited to, all fee simple interests in all land, leaseholds, easements, rights of way, licenses, railroad and other use agreements, rights to vacated land and other interests in land, computer and telephone equipment, machinery, equipment, tools, motor vehicles, transportation and packing and delivery equipment and supplies, furniture and fixtures;

(c) all contract rights and other tangible and intangible assets including, but not limited to,

(i) all leases and leasehold estates and interests therein (including, but not limited to, leases with respect to computer hardware or software used by Metallon), permits, licenses, forbearances and consents;

(ii) all contractual and other rights and licenses under purchase orders, supply agreements, sales orders, insurance contracts (but only if and to the extent set forth on schedule 1.1[c][ii]), agreements pursuant to which Metallon is to be indemnified, joint

venture agreements, restrictive covenant agreements running in favor of Metallon or any Seller with respect to Metallon, agreements of employment, representative agreements, dealer agreements, export agent agreements, consulting agreements, confidentiality agreements, development agreements, assignment agreements and all other contracts;

(iii) all proprietary rights existing in all countries including, but not limited to, all patents, patent applications and patent disclosures, all trade marks, service marks, trade names, trade dress, logos, designs, corporate names, and all translations, adaptations, derivations and combinations thereof, and any registrations and applications to register any of the foregoing and the goodwill of the products, services or businesses with which any of the foregoing are associated or in any way connected therewith, all copyrightable subject matters, copyrights, copyright registrations and applications to register copyrights, all mask works, mask work registrations and applications to register mask works, all trade secrets, shop rights,
