ASSIGNMENT

WHEREAS, I W. Dale Hollingsworth, residing at 728 Ridgefield Road, Wilton, Connecticut 06897, have invented certain new and useful improvements in Carrying Case for Portable Computer, for which a patent application for United States Letters Patent was filed on January 28, 2000 and assigned Serial No. 09/493,548.

WHEREAS, Targus Group International, a corporation of New York, having a place of business at 654 Madison Avenue, New York, New York 10021, is desirous of acquiring the entire right, title and interest in and to said invention and in and to any Letters Patent that may be granted therefor in the United States and in any and all foreign countries.

NOW, THEREFORE, in consideration of the sum of Ten Dollars (\$10.00) in hand paid, the receipt whereof is hereby acknowledged, and other valuable considerations, I have sold, assigned and transferred, and by these presents do sell, assign and transfer unto Targus Group International, the full and exclusive right to said invention in the United States and its territorial possessions and in all foreign countries and the entire right, title and interest in and to any and all Letters Patent which may be granted thereon in the United States and its territorial possessions and in any and all foreign countries, and in and to any and all divisions, reissues, continuations and extensions thereof.

I hereby authorize and request the Patent and Trademark Office officials in the United States and in any and all foreign countries to issue any and all of said Letters Patent, when granted, to said Targus Group International, as the assignee of the entire interest in and to the same, for the sole use and behalf of Targus Group International, its successors and assigns.

FURTHER, I agree that I will communicate to Targus Group International, or its representatives, any facts known to me respecting said invention, and testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, substitution, renewal and reissue applications, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to Targus Group International, make all rightful oaths and generally do everything possible to aid Targus Group International, its successors and assigns, to obtain and enforce proper protection for said invention in the United States and in any and all foreign countries.
