## RELEASE OF SECURITY INTEREST IN PATENTS

This Release of Security Interest in Patents ("**Release**") is dated as of September 20, 2004. Reference is hereby made to the Patent Security Agreement dated as of March 5, 1999 ("**Patent Security Agreement**") by and between **ADVA-LITE, INC.**, a Delaware corporation ("**Assignor**") and **ANTARES CAPITAL CORP.**, a Delaware corporation, as agent for certain financial institutions (in such capacity, together with its successors and assigns, if any, in such capacity, "**Agent**"). Agent hereby agrees to take such further actions and to execute and deliver such further documents as Assignor may reasonably request to effect and evidence this Release, including, without limitation, the execution and delivery of any filings, statements, amendments, recordations or other instruments required to maintain the applications or registrations of the Patent Collateral and record the chain of title accordingly with the United States Patent and Trademark Office, subject, in each case to Assignor's payment in full to Agent of its costs and expenses (including reasonable fees and disbursements of counsel) incurred in connection therewith; provided, however, that Agent shall not be required to take any action which exposes Agent to personal liability or which is contrary to applicable law.
