WHEREAS, COLEMAN CABLE, INC. (hereafter "Assignee"), a Delaware corporation, having an address of 1530 Shields Drive, Waukegan, Illinois 60085, did previously acquire all right, title and interest in and to the Patent Property.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignors have assigned to Assignee, or its predecessors in interest, all their right, title, and interest in and to the Patent Property, and to the extent Assignors have any remaining rights in the Patent Property, Assignors do hereby, *nunc pro tunc* as of August 8, 1997:

(ii) assign to Assignee, all right, title and interest in and to the inventions disclosed in said Patent Property throughout the world, including the right to file applications and obtain patents, utility models, industrial models and designs for said Patent Property in its own name throughout the world, including all rights to publish cautionary notices reserving ownership of said inventions and all rights to register said Patent Property in appropriate registries; and Assignors further agree to execute any and all powers of attorney, applications,

assignments, declarations, affidavits, and any other papers in connection therewith necessary to perfect such right, title and interest in Assignee; and

(iii) assign unto Assignee all claims for damages by reason of infringement prior to the assignment date of the Patent Property throughout the world, with the right to sue for and collect the same for its own use and benefit, and for the use and benefit of its successors, assigns and other legal representatives.
