# **ASSIGNMENT OF PATENT**

**WHEREAS**, we, Dennis L. Unruh, Marlin Unruh, and Randal A. Koehn, hereinafter referred to as the "Patentees," did obtain a United States Letters Patent No. 5,421,318, issued on June 6, 1995, for an invention entitled "MOBILE PORTABLE PIT COOKING APPARATUS"; and whereas, we are now the joint owners of record of said Letters Patent;

**WHEREAS**, Jedco, Inc., a Kansas Corporation, having a place of business at 2773 Frontier Road, Canton, Kansas 67428, referred to herein as "Assignor," may have previously acquired an ownership interest in and to said Letters Patent, from one of more of said Assignors; and

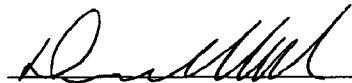

**WHEREAS**, Jedmaster Cookers, Inc., a Kansas Corporation, having a place of business at 120 W. Kansas, McPherson, Kansas 67460, hereinafter referred to as "Assignee," is desirous of acquiring the entire right, title and interest in and to said Letters Patent;

**NOW, THEREFORE**, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, we, the Patentees and the Assignor, by these presents do hereby sell, assign and transfer unto said Assignee, and the successors, assigns and legal representatives of the Assignee, the entire right, title and interest in and to said Letters Patent, and any continuation, division, renewal, substitute, reissue or reexamination thereof; the same to be held and enjoyed by the said Assignee for its own use to the full end of the term for which said Letters Patent is granted, as fully and entirely as the same would have been held by us had this assignment not been made.

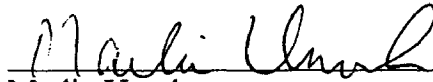

The Patentees and Assignor hereby covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment;

The Patentees and Assignor further covenant that the Assignee will, upon its request, be provided promptly with all pertinent facts and documents relating to said invention and said Letters Patent and legal equivalents as may be known and accessible to Patentees or Assignor and will testify as to the same in any interference, litigation or proceeding related thereto and will promptly execute and deliver to Assignee or its legal representatives any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue and enforce said application, said invention and said Letters Patent and equivalents thereof which may be necessary or desirable to carry out the purposes thereof.

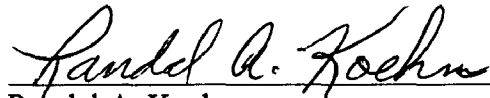

**IN WITNESS WHEREOF**, we have hereunto set our hand on the dates indicated below.
