ASSIGNMENT

For the sum of One Dollar (\$1.00) and other good and valuable consideration, receipt of which is hereby acknowledged, I/we, Collin A. Rich and F. Randall Grimes, respectively, do hereby assign, sell and set over to Intergrated Sensing Systems, Inc., a corporation organized and existing under the laws of the State of Michigan, and having a place of business at 391 Airport Industrial Drive, Ypsilanti, Michigan 48198 (ASSIGNEE), its successors, assigns or other legal representatives, the entire right, title and interest, domestic and foreign, in and to the inventions and discoveries described in

SENSING CATHETER SYSTEM AND METHOD OF FABRICATION

as set forth in the application for United States Letters Patent executed by us on the same date as that upon which we executed this Assignment; or

for which an application for a United States Patent was filed on January 22, 2002 Application No. 10/054,125 (we hereby authorize our attorney of record in the application to insert the application filing date and number when they become known),

including the right of ASSIGNEE, its successors, assigns or other legal representatives to make applications and to receive Letters Patent for said inventions and discoveries in any and all foreign countries in its or their own name or names, or in our names, at its or their election, and including any and all claims for damages for past infringement of any provisional and/or patent rights; and we hereby assign, sell and set over to ASSIGNEE, its successors, assigns or other legal representatives, all rights of priority in and to said inventions and discoveries in all countries, including all applications claiming benefit of the filing date hereof, continuations, continuations-in-part, divisionals, reexaminations and reissue applications.

And we hereby agree for ourselves, our heirs, successors, assigns or other legal representatives to execute any and all papers, including applications for Letters Patent of any and all kinds and in any and all countries and to perform any and all acts which ASSIGNEE, its successors, assigns or other legal representatives may deem necessary to secure thereto the rights herein assigned, sold and set over.

And I/we hereby request the Director of the United States Patent and Trademark Office to issue all patents on said invention to ASSIGNEE.

And we hereby represent and warrant that we have not granted any rights inconsistent with the rights granted herein.
