PATENT APPLICATION AND INVENTION ASSIGNMENT

In consideration of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, We, the undersigned, Douglas E. Keiter, a citizen of the United States, residing at 11331 Chase Road, Athens, Ohio 45701 USA and Ezekiel S. Holliday, a citizen of the United States, residing at 404 Congress Road, Belpre, Ohio 45714 USA;

Hereby sell, assign and transfer to Sunpower, Inc., a corporation of the State of Ohio, having a place of business at 182 Mill Street, Athens, Ohio 45701 USA, its successors, assigns and legal representatives, the entire right, title and interest for the United States and all countries of the world, in and to any and all inventions which are disclosed in the application for United States Letters Patent, which is executed concurrently herewith and is entitled TEMPERATURE CONTROL FOR FREE-PISTON CRYOCOOLER WITH GAS BEARINGS (SUN 6100), and in and to said application including all rights of priority arising therefrom and in and to all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all countries of the world and all international applications on any of said inventions; and in and to all original and reissued patents which have been or shall be issued in the United States and all countries of the world on said inventions;

Agree that said Assignee may apply for, receive and maintain Letters Patent for said inventions in its own name; and that, when requested, without charge to but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue and all other patent applications on any and all said inventions for the U.S., all other countries of the world and under all treaties; execute all rightful oaths, assignments, powers of attorney and other papers for the U.S., all other countries and under all treaties, communicate to said Assignee, its successors, assigns and representatives, all facts known to the undersigned relating to said inventions and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said inventions, for complying with applicable law and for vesting title to said inventions and all applications for patents and all patents on said inventions, in said Assignee, its successors, assigns and legal representatives for the U.S., all other countries and under treaties;

Hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of said Assignee to apply for a patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein

conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
