ASSIGNMENT

Attorney Docket No.: **04017.00066**
Serial Number: **10/728,405**
Filing Date: **February 12, 2004**
Inventor: **Nathaniel S. Fox**
Date of Execution of Application: **December 4, 2003**

In consideration of One Dollar (\$1.00) and other good and valuable considerations in hand paid, the receipt and sufficiency whereof are hereby acknowledged, the undersigned hereby assign to:

Geotechnical Reinforcement, Inc., a corporation of the State of Nevada

its successors and assigns, the entire right, title and interest in the invention or improvements of the undersigned disclosed in/an application for Letters Patent of the United States, entitled:

**APPARATUS AND METHOD FOR BUILDING SUPPORT PIERS FROM
ONE OR SUCCESSIVE LIFTS FORMED IN A SOIL MATRIX**

and identified as:

Attorney Docket No. 04017.00066

in the offices of Banner & Witcoff, Ltd. and in said application and any and all other applications, both United States and foreign, which the undersigned may file, either solely or jointly with others, on said invention or improvements, and in any and all Letters Patent of the United States and foreign countries, which may be obtained on any of said applications, and in any reissue or extension of such patents, and further assigns to said assignee the priority right provided by the International Convention.

The undersigned hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to said assignee.

The undersigned hereby authorize and request the attorneys of record in said application to insert in this assignment the filing date and serial number of said application when officially known, and the date of execution of the application.

The undersigned warrant themselves to be the owners of the entire right, title and interest in said invention or improvements and to have the right to make this assignment, and further warrant that there are no outstanding prior assignments, licenses, or other encumbrances on the interest herein assigned.

For said considerations the undersigned hereby agree, upon the request and at the expense of said assignee, its successors and assigns, to execute any and all divisional, continuation and substitute applications for said invention or improvements, and any necessary oath, affidavit or declaration relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application and any and all applications and other documents for Letters Patent in foreign countries on said invention or improvements, that said assignee, its successors or assigns may deem necessary or
