## ASSIGNMENT

THIS ASSIGNMENT, made this 29<sup>th</sup> day of July, 2004, by the legal representatives of Sympore GmbH (hereinafter referred to as Assignors), a German corporation under insolvency administration;

WHEREAS, Assignor is empowered under the insolvency code in Germany to assign all right, title and interest in inventions described in the United States and PCT International Patent applications for Letters Patent as identified on Exhibit A attached hereto (Applications for Letters Patent), and in the applications themselves and any patents emanating therefrom (Letters Patent) pursuant to the administration of assets of the insolvent entity; and

WHEREAS, Synovo GmbH, a corporation organized under and pursuant to the laws of Germany (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said inventions and said Applications for Letters Patent of the United States and foreign jurisdictions worldwide, and in and to any Letters Patent of the United States and foreign jurisdictions worldwide to be obtained therefore and thereon.

NOW, THEREFORE, Assignors have sold, assigned, and transferred unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned inventions and Applications for Letters Patent, and in and to any and all direct and indirect divisions, continuations and continuations-in-part of said application, and any and all Letters Patent in the United States and all foreign countries which may be granted therefore and thereon, and reissues, reexaminations and extensions of said Letters Patent, and all rights under the International Convention for the Protection of Industrial Property,

AND for the same consideration, Assignors hereby agree to execute any further necessary documents to substantiate this assignment in territories other than the United States of America according to reasonable request of the Assignee,

AND Assignors hereby request the Commissioner of Patent and Trademarks to issue said Letters Patent of the United States to Assignee, as Assignee of said inventions and the Letters Patent to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

AND Assignors hereby grant the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:
