**PATENT  
ASSIGNMENT**

For ten pounds £10 and valuable considerations in the receipt and sufficiency whereof are hereby acknowledged, QinetiQ Limited hereby assigns to:

**Quintel Technology Limited  
Cody Technology Park  
Building X109  
Ively Road  
Farnborough, Hampshire GU 14 0LX**

its successors and assigns, the entire right, title and interest in the invention of the undersigned disclosed in an application for Letters Patent of the United States, Serial No. 10/495,478 filed May 13, 2004 claiming priority to an International Application, Serial No. PCT/GB02/04930 filed October 31, 2002, and any and all other applications in the United States which the named inventors may file, either solely or jointly with others, on said invention and in any and all Letters Patent of the United States and foreign countries, which may be obtained on any of said applications, and in any reissue divisional continuation or extension of such patents, and further assigns to said assignee the priority right provided by the International Convention.

QinetiQ Limited hereby authorizes and requests the Commissioner of Patents and Trademarks to issue said Letters Patent to said assignee.

QinetiQ Limited warrants to be the owner of the entire right, title and interest in said invention or improvements and to have the right to make this assignment, and further warrants that there are no outstanding prior assignments, licenses, or other encumbrances on the interest herein assigned.

For said considerations QinetiQ Limited hereby agrees, upon the request and at the expense of said assignee, its successors and assigns, to execute any and all divisional, continuation, continuation-in-part, reissue and substitute applications for said invention or improvements, and any necessary oath, affidavit or declaration relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application, and any and all applications and other documents for Letters Patent in foreign countries on said invention or improvements, that said assignee, its successors or assigns may deem necessary or expedient, and for the said considerations QinetiQ Limited authorizes said assignee to apply for patents for said invention or improvements in its own name in such countries where such procedure is proper and further agrees, upon the request of said assignee, its successors and assigns, to cooperate to the best of the ability of the undersigned with said assignee, its successors and assigns, in any proceedings or transactions involving such applications or patents, including the preparation and execution of preliminary statements, giving and producing evidence, and performing any and all other acts necessary to obtain, maintain and enforce said Letters Patent, both United States and foreign, and vest all rights therein hereby

conveyed in the assignee, its successors and assigns, whereby said Letters Patent will be held and enjoyed by the said assignee, its successors and assigns, to the full end of the term for which said Letters Patent will be granted, as fully and entirely as the same would have been held and enjoyed by QinetiQ Limited if this assignment had not been made.

WITNESS my hand and seal this 4<sup>th</sup> day of October, 2004.

QinetiQ Limited
