PATENT APPLICATION ASSIGNMENT

This Assignment, effective this 7 day of April, 2004, is by and between McNeil-PPC, Inc. ("McNeil"), a New Jersey corporation having a place of business at Grandview Road, Skillman, New Jersey 08558 U.S.A., and Tate & Lyle Public Limited Company ("Tate & Lyle"), a British company having a place of business at Sugar Quay, Lower Thames Street, London EC3R 6DQ, United Kingdom.

WHEREAS, McNeil owns the entire right, title, and interest--via an assignment recorded with the U.S. Patent and Trademark Office ("PTO") on August 22, 2003 on Reel 014413 beginning at Frame 0031--in and to the invention which is fully set forth and described in United States Patent Application Number 10/426,387 by inventors Steven J. Catani, Carolyn M. Merkel, and Nicholas M. Vernon titled "CRYSTALLINE FORM OF SUCRALOSE, AND METHOD FOR PRODUCING IT" filed with the PTO on April 30, 2003; and

WHEREAS, Tate & Lyle desires to obtain the entire right, title, and interest in and to the invention and patent application.

NOW, THEREFORE, in consideration of the payment by Tate & Lyle to McNeil of a sum corresponding to One Dollar (\$1.00), and for other good and valuable consideration, the receipt of which is hereby acknowledged, and intending to be legally bound, McNeil does hereby sell, assign, and transfer unto Tate & Lyle, its successors and assigns, all right, title, and interest in and to the invention, all applications for Letters Patent for the invention, including all divisionals, continuations, continuations-in-part, reexaminations, and reissues thereof, all rights to claim priority based thereon, including any and all foreign patent rights in this invention corresponding thereto, with any and all rights of action for infringement thereof, the same to be held and enjoyed by Tate & Lyle, its successors and assigns, for its own use and benefit and for the use of any of its successors or assigns, to the full end of the term for which the rights exist, have been or shall be

granted, as fully and entirely as they would have been held and enjoyed by McNeil if this sale, assignment, and transfer had not been made.

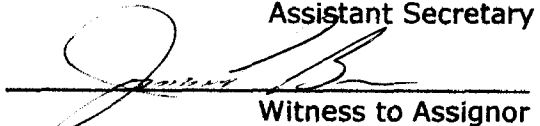

McNeil hereby warrants that no assignment, sale, agreement, or encumbrance has been or will be made or entered into which would conflict with this Assignment.

McNeil hereby agrees to execute any and all such further instruments and documents and will do or cause to be done any and all such further acts as may be necessary in order to establish or perfect in Tate & Lyle the entire right, title, and interest in and to the invention and the related patent rights hereby sold, assigned, and transferred to Tate & Lyle.

IN WITNESS WHEREOF, McNeil and Tate & Lyle have executed this Agreement through the respective parties' duly authorized officers, as of the effective date set forth above.

McNeil-PPC, Inc.
