ASSIGNMENT

WHEREAS, I, Jonathan Levine, of New York, County of New York City, State of New York, have invented a certain design for a HOUSING PORTION OF A POWER INVERTER for which a U.S. design patent application was filed on August 26, 2004, and assigned application No. 29/212,219;

WHEREAS, Team Products International, Inc., a corporation organized under the laws of the State of New Jersey, having a place of business at 3 Entin Road, Parsippany, New Jersey 07054, is desirous of acquiring an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I, Jonathan Levine, hereby sell, assign and transfer to Team Products International, Inc., the full and exclusive right, title and interest in and to said design patent application, and all design patent rights pertaining to said invention throughout the world, including foreign priority rights; said invention, application and letters patent in this or any foreign country, and all divisions, continuations, reissues and extensions thereof, to be held and enjoyed by Team Products International, Inc., for its own use and benefit, and for its successors and assigns to the full end of the term for which letters patent may be granted in this or any foreign country, as fully and entirely as the same would have been held by me had this assignment and sale not been made, and I covenant that I have full right so to do, and agree that I will communicate to Team Products International, Inc., or its successors and assigns, any facts known to me respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths, and do
