ASSIGNMENT

WHEREAS, Anthony, Inc. a Corporation of the State of California, having its principal place of business at 12812 Arroyo Street, San Fernando, California 91342, hereinafter called Assignor, has title to United States Patent listed on the attached Schedule A.

WHEREAS, Q Technology Incorporated, a corporation of the State of Michigan having its principal place of business at 189 Contractors Street Livermore, California, desires to acquire the entire right, title and interest in and to said patent.

NOW, THEREFORE, for and in consideration of the sum of One Dollar (\$1.00) and other good and valuable considerations, receipt whereof is hereby acknowledged, Assignor by these presents does sell, assign and transfer unto said Assignee, its successors and assigns, all right, title and interest in the United States of America to said patent, including all extensions, reissue patents, and corresponding foreign equivalents and all inventions covered by said patents.

Assignor hereby agrees to execute any and all papers, including further assignment documents of any and all kinds in any and all countries, and to perform any and all acts which assignee may deem necessary to secure thereto the rights herein assigned, sold and set over.

Assignor agrees to fully cooperate with Assignee with regard to the subsequent prosecution of any of said Patents, including reviewing documents and communicating with Assignee and Assignee's counsel, for which Assignor shall be reimbursed by Assignee for its reasonable out-of-pocket expenses.

Assignor further represents and warrants that it has not granted any rights inconsistent with the rights granted herein.
