ASSIGNMENT

WHEREAS, Ben Bird, whose address is 12102 Conway Road, Beltsville, Maryland 20705 and Vincent Miller, whose address is 12102 Conway Road, Beltsville, Maryland 20705, have invented certain new and useful improvements for a Backpack, for which they are about to make application for United States Letters Patent and entitled Backpack;

WHEREAS, Certified Insulated Products Corporation, a South Carolina corporation, having its principal place of business at 12102 Conway Road, Beltsville, Maryland 20705 (hereinafter referred to as "Assignee"), is desirous of acquiring, and Ben Bird and Vincent Miller (hereinafter referred to as "Assignors") are desirous of assigning all of their right, title and interest in and to the said invention, and in and to the said application, and any Letters Patent that may issue thereon;

NOW THEREFORE, for and in consideration of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignors hereby sell and assign to Assignee, their entire right, title and interest in and to the said invention and in and to the said application and all patents which may be granted therefor, and all divisions, reissues, substitutions, reexaminations, continuations, and extensions thereof, and Assignor hereby authorizes and requests the

Commissioner of Patents and Trademarks to issue all patents for said invention, or patents resulting therefrom, to the Assignee.

Assignors also hereby sell and assign to Assignee, its successors, heirs and assigns, all foreign rights to the invention disclosed in said application, in all patent-granting countries of the world, including the right to file applications and obtain patents for said invention in said countries and including all rights of priority in said countries under the terms of the International Convention for the Protection of Industrial Property, and further agree to execute any and all patent applications, assignments, affidavits, and any other papers in connection therewith necessary to perfect such patent rights.

Assignors also hereby agree to communicate to Assignee, its successors, heirs, assigns and representatives, any facts known respecting any improvements, and at the request and expense of Assignee, to testify in any legal proceedings, sign all lawful papers, execute all divisional, reissue, substitute, reexamination and continuation applications, make all lawful oaths, and generally do everything possible to aid Assignee, its successors, heirs, assigns and representatives, to obtain and enforce proper patent protection for said invention in all countries.

Assignors hereby grant Jonathan L. Scherer; Harvey B. Jacobson, Jr.; John C. Holman; Marvin R. Stern; and Michael R.

Slobasky; (Registrations Nos. 29,851, 20,851, 22,769, 20,640 and 26,421, respectively) the power to insert on this assignment any further identification which may be necessary or desirable in order to identify the related application or otherwise comply with the rules of the United States Patent and Trademark Office for recordation of this document.
