## Assignment of Invention

THIS ASSIGNMENT OF INVENTION to SILICON IMAGE, INC., a corporation duly organized under and pursuant to the laws of California, and having its principal place of business at 1060 E. Arques Avenue, Sunnyvale, California 94086 (hereinafter referred to as the Assignee), by DVDO, Inc., a California corporation (hereinafter referred to as the Assignor), respectively witnesseth:

WHEREAS, the said Assignor was previously assigned rights of invention by Jano D. Banks, Dale R. Adams and Albert M. Scalise, who invented certain new and useful inventions (hereinafter "Inventions") set forth in U.S. Patent No. 6,385,692 (U.S. Patent Application No. 09/805,588, continuation of U.S. Patent Application No. 09/226,776 PAT 6,219,747, entitled: **METHOD AND APPARATUS FOR VARIABLE LENGTH SDRAM TRANSFERS**, (Reel/Frame: 010145/0395, recorded on July 28, 1999) (hereinafter "Application").

WHEREAS, the said Assignee, is desirous of acquiring the entire right, title and interest in and to said Invention and said Application, and in and to any Letters Patent or Patents, United States or foreign, to be obtained therefor or derived therefrom;

NOW, THEREFORE, for valuable consideration, the receipt of which is hereby acknowledged, the said Assignor has sold, assigned, transfer and set over, and by these presents does sell, assign, transfer and set over, unto the said Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned Inventions, Application, and any and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted therefor or derived therefrom, and in and to any and all divisions, continuations, and continuations-in-part of said Application, or reissues, reexaminations, or extensions of said Letters Patent or Patents, and all rights under the International Convention for the Protection of Industrial Property and all other foreign rights, the same to be held and enjoyed by the said Assignee, for its own use and behoof and the use and behoof of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted, as fully and entirely as the same would have been held and enjoyed by the Assignors, including all rights to collect damages for infringement prior to the date of this Assignment, had this sale and Assignment not been made.

AND, for the same consideration, the said Assignor hereby covenants and agrees to and with the said Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, the said Assignor is the lawful owner of the entire right, title and interest in and to the said Inventions and the Application for above-mentioned, and that the same are unencumbered and that

the said Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND, for the same consideration, the said Assignor hereby covenants and agrees to and with the said Assignee, its successors, legal representatives and assigns, that the said Assignor will, whenever counsel of the said Assignee, or the counsel of its successors, legal representatives and assigns, shall advise that any proceeding in connection with said Inventions, or said Application, or any proceeding in connection with patent for said Inventions in any country, including interference proceedings, is lawful and desirable, or that any division, continuation, or continuation-in-part of any application for patent, or any reissue or extension of any patent, to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of patents for said Inventions, without charge to said Assignee, his/her/their successors, legal representatives and assigns, but at the cost and expense of the said Assignee, its successors, legal representatives and assigns.

The Assignor hereby authorizes the firm of PERKINS COIE LLP to correct errors in this assignment or to insert any further identification or other information necessary or desirable to make this assignment suitable for recordal in the United States Patent Office, and any Patent Office foreign to the United States.

The Assignor hereby requests the Commissioner of Patents to issue said Letters Patent of the United States to the said Assignee as the assignee of said Inventions and the Letters Patent to be issued thereon for the sole use and behoof of the said Assignee, its successors, legal representatives and assigns.
