ASSIGNMENT

FOR GOOD AND VALUABLE CONSIDERATION, the receipt, sufficiency and adequacy of which are hereby acknowledged, the undersigned, do/does hereby:

SELL, ASSIGN AND TRANSFER to Board of Regents, The University of Texas System (the "Assignee"), having a place of business at 201 West Seventh Street, Austin, Texas 78701, the entire right, title, and interest for the United States and all foreign countries in and to any and all improvements which are disclosed in the application for United States Letters Patent, attached hereto and is entitled "Ultra-Low Shrinkage Composite Resins Based on Blended Nematic Liquid Crystal Secondary Monomers," by Barry K. Norling and Neera Satsangi such application and all divisional, continuing, substitute, renewal, reissue, and all other applications for patent which have been or shall be filed in the United States and all foreign countries on any of such improvements; all original and reissued patents which have been or shall be issued in the United States and all foreign countries on such improvements; and specifically including the right to file foreign applications under the provisions of any convention or treaty and claim priority based on such application in the United States; IT IS FURTHER UNDERSTOOD that this assignment is governed by the 1998 edition of the University of Texas System Regents' Rules and Regulations regarding intellectual property; in no event shall the undersigned receive less than the proportional royalties described therein; in the event the Board of Regents of The University of Texas System adopts Rules and Regulations allocating a greater proportion of royalties to inventors, the undersigned shall receive the benefit of this increase;

AUTHORIZE AND REQUEST the issuing authority to issue any and all United States and foreign patents granted on such improvements to the Assignee;

WARRANT AND COVENANT that no assignment, grant, mortgage, license, or other agreement affecting the rights and property herein conveyed has been or will be made to others by the undersigned, and that the full right to convey the same as herein expressed is possessed by the undersigned;

COVENANT, when requested and at the expense of the Assignee, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all such improvements; execute all rightful oaths, declarations, assignments, powers of attorney, and other papers; communicate to the Assignee all facts known to the undersigned relating to such improvements and the history thereof and generally do everything possible which the Assignee shall consider desirable for vesting title to such improvements in the Assignee, and for securing, maintaining, and enforcing proper patent protection for such improvements;

2000-42-DIV1

TO BE BINDING on the heirs, assigns, representatives and successors of the undersigned and extend to the successors, assigns, and nominees of the Assignee.
