## ASSIGNMENT

WHEREAS, **HERBERT WALPOLE** (hereinafter referred to as Assignor), is the sole inventor of a certain invention entitled **REINFORCED POLYMER PANEL AND METHOD FOR BUILDING CONSTRUCTION** for which APPLICATION for Letters Patent of the United States is filed herewith; and

WHEREAS, **PolyCrete Systems, LTD** is a Limited Partnership created and existing under and by virtue of the laws of the State of Texas, I.D. 20-1018780, filed on April 20, 2004 (hereinafter referred to as Assignee) is desirous of acquiring all of the entire right, title and interest in and to the aforesaid invention throughout the world, and in and to said application, and in and to any and all Letters Patent of the United States and all other countries throughout the world that may be obtained therefor.

NOW, THEREFORE, for and in consideration of the sum of One Dollar (\$1.00), to me in hand paid by **PolyCrete Systems, LTD** and for other good and valuable consideration, the receipt of which is hereby acknowledged, I hereby sell, assign, and transfer and set over to **PolyCrete Systems, LTD**, all of my right, title and interest in and to the said invention throughout the world, and said application for United States Letters Patent, and any and all divisions, continuations, and reissues thereof, and any and all Letters Patent of the United States and foreign countries which may be granted therefor, the same to be held and enjoyed by **PolyCrete Systems, LTD**, for its own use and behoof, and for the use and behoof of its successors, assigns, or other legal representatives, to the end of the term or terms for which said Letters Patent of United States or foreign countries are or may be granted or reissued, as fully and entirely as the same would have been held and enjoyed by me if this assignment and sale had not been made.

AND, I hereby authorize and request the Commissioner of Patents and Trademarks to issue all Letters Patent of the United States on said invention or resulting from said application and from any and all divisions, continuations, and reissues thereof to **PolyCrete Systems, LTD**, as Assignee of my entire right, title and interest in and to said invention, and hereby covenant that I have the full right to convey the entire interest assigned, and that I have not executed and will not execute any agreement in conflict herewith.

AND, I further hereby covenant and agree that I will, at any time, upon written request, execute and deliver any and all papers that may be necessary or desirable to perfect the title of said invention and to such Letters Patent as may be granted therefor, to **PolyCrete Systems, LTD**, in the event its respective successors, assigns or other legal representatives shall desire to file any divisional or continuation applications or to secure a reissue of such Letters Patent, or to file a disclaimer relating thereto, and I will upon written request, sign all papers, make all rightful oaths and do all lawful acts requisite for the filing of such divisional or continuation applications, or such application for reissue and the procuring thereof, and for the filing of such disclaimer, without further compensation but at the expense of said Assignee, its respective successors, or other legal representatives.

AND, I do further covenant and agree that I will, at any time upon written request, communicate to **PolyCrete Systems, LTD**, its respective successors, assigns or other legal representatives, such facts relating to said invention and Letter Patent or the file history thereof as may be known to me, and testify as to the same in any interference or other

litigation when requested to do so, without further compensation but at the expense of said Assignee, its successors, and other legal representatives.

EXECUTED THIS 29<sup>TH</sup> DAY OF APRIL, 2004.
