ASSIGNMENT

Whereas, we,

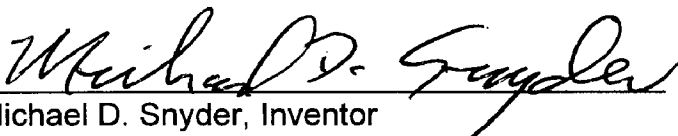

- (1) Michael D. Snyder
- (2) Koen A. Gieskes

have invented certain improvements in a:

ENCODER SYSTEM

And whereas, Universal Instruments Corporation, a corporation duly organized and existing under the laws of the State of New York, and having its principal place of business at P.O. Box 825, Binghamton, NY 13902 (hereinafter called Universal), desires to acquire the entire right, title and interest in the said application and invention, and to any United States and foreign patents to be obtained therefor;

Now therefore, for a valuable consideration, receipt whereof is hereby acknowledged, we, the above named, hereby sell, assign, and transfer to Universal, its successors and assigns, the entire right, title and interest in the said application and invention therein disclosed for the United States and foreign countries, and all rights of priority resulting from the filing of said United States application, and we request the Commissioner of Patents to issue any Letters Patent granted upon the inventions set forth in said applications to Universal, its successors and assigns; and we hereby agree that Universal may apply for foreign Letters Patent on said invention and we will execute all papers necessary in connection with the United States and foreign applications when called upon to do so by Universal.
