ASSIGNMENT

WHEREAS, I, **Pete A. Bates**, of 10379 Scarlet Oak Drive, Perrysburg, Ohio 43551, U.S.A., together with Thomas A. Ingraham, Frank W. Mahr, Nikhil Mani, Thomas E. Nahill, and Terry C. Potter, have jointly invented an improvement in **TAKE OUT AND COOLING SYSTEM AND METHOD**; and

WHEREAS, I, as a joint applicant with said Thomas A. Ingraham, Frank W. Mahr, Nikhil Mani, Thomas E. Nahill, and Terry C. Potter, have executed an Application for United States Patent based thereon, on the 21 day of APRIL, 2004; and

WHEREAS, **Continental PET Technologies, Inc.**, a corporation of Delaware, is desirous of acquiring certain rights thereunder;

NOW, THEREFORE, for One Dollar (\$1.00) and other valuable considerations, receipt of all of which is hereby acknowledged, I have agreed to and do hereby sell, assign, and transfer unto said corporation my entire right, title, and interest in and throughout the United States of America (including its territories and dependencies) and all countries foreign thereto, in and to said invention, said application and any and all patents (including extensions thereof) of any country, which have been or may be granted on said invention or any part thereof, or on said application or any divisional, continuing, renewal, reissue, or other patent application, based in whole or in part thereon, or based upon said invention.

TO BE HELD AND ENJOYED by said corporation, its successors and assigns, to the full ends of the respective terms for which said patents or any of them have been or may be granted, as fully and entirely as the same would have been held and enjoyed by me had no sale and assignment of said interest been made;

AND I hereby covenant and agree for myself, my heirs, and my legal representatives, to assist my said assignee in the prosecution of said application and in any interference which may arise involving said invention, and, upon request, to execute without further consideration all necessary and desirable divisional, continuing, renewal, reissue, or other applications for patents in any country, that might be deemed necessary by said assignee fully to secure to said assignee its interest as aforesaid in and to said invention or any part thereof, and in and to said several patents or any of them. Further, I hereby authorize the above-mentioned assignee to insert in this instrument the identifying serial number and filing date of my said application when received.

AND I do hereby authorize and request the Commissioner of Patents of the United States of America to issue any and all United States patents which may be granted upon said United States applications or any of them, or upon said invention or any part thereof, to said corporation.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my seal this 21 day of APRIL, 2004.
