**ASSIGNMENT****PATENT**No.: 4860.P3308

(For Execution Prior To Filing Patent Application)

In consideration of good and valuable consideration, the receipt of which is hereby acknowledged, I  
the undersigned, John Mathew Depew

hereby sell, assign, and transfer to Apple Computer, Inc.  
a corporation of California, having a principal place of business at  
1 Infinite Loop, Cupertino, CA 95014, ("Assignee"),  
and its successors, assigns, and legal representatives, the entire right, title, and interest for the  
United States and all foreign countries, in and to any and all improvements that are disclosed in  
the application for the United States patent that has been executed by the undersigned prior  
hereto or concurrently herewith on the dates indicated below and is entitled A HEAT DISSIPATING DEVICE FOR AN INTEGRATED CIRCUIT CHIP

and in and to said application and all divisional applications, continuation applications, continued  
prosecution applications, continuation-in-part applications, substitute applications, renewal  
applications, reissue applications, reexaminations, extensions, and all other patent applications  
that have been or shall be filed in the United States and all foreign countries on any of said  
improvements; and in and to all original patents, reissued patents, reexamination certificates, and  
extensions, that have been or shall be issued in the United States and all foreign countries on  
said improvements; and in and to all rights of priority resulting from the filing of said United States  
application;

agree that said Assignee may apply for and receive a patent or patents for said  
improvements in its own name; and that, when requested, without charge to, but at the expense  
of, said Assignee, its successors, assigns, and legal representatives, to carry out in good faith  
the intent and purpose of this Assignment, the undersigned will execute all divisional  
applications, continuation applications, continued prosecution applications, continuation-in-part  
applications, substitute applications, renewal applications, reissue applications, reexaminations,  
extensions and all other patent applications on any and all said improvements; execute all rightful  
oaths, assignments, powers of attorney, and other papers; communicate to said Assignee, its  
successors, assigns, and representatives all facts known to the undersigned relating to said  
improvements and the history thereof; and generally assist said Assignee, its successors,  
assigns, or representatives in securing and maintaining proper patent protection for said  
improvements and for vesting title to said improvements, and all applications for patents and all  
patents on said improvements, in said Assignee, its successors, assigns, and legal  
representatives; and

covenant with said Assignee, its successors, assigns, and legal representatives that no  
assignment, grant, mortgage, license, or other agreement affecting the rights and property herein  
conveyed has been made to others by the undersigned, and that full right to convey the same  
as herein expressed is possessed by the undersigned.
