ASSIGNMENT

We, Christopher Hentschel and Brad Sampson (hereinafter the "Assignors") in consideration of one dollar (\$1.00) and other valuable consideration, the receipt whereof is hereby acknowledged to us paid by International Electronics, Inc, a Massachusetts corporation having a place of business at 427 Turnpike Street, Canton, MA 02101 (hereinafter the "Assignee"), hereby assign to Assignee, its successors, legal representatives and assigns, all of our right, title and interest in this or any other country in and to U.S. Design Patent Application Serial No. 29/191,043 filed on September 30, 2003 entitled "Entry Key Pad" and further identified as Attorney Docket No. 2003-191.

And we further grant to Assignee, its successors, legal representatives and assigns, our right to claim for any foreign application for said invention the full benefit of any international agreement between the United States of America and any foreign country or countries.

And we hereby covenant and agree, for ourselves and for our heirs and legal representatives, to execute any continuation or divisional applications of the application above-identified, any proper applications for reissue of patent resulting from any of said original, continuation or divisional applications, any additional oaths that may be required in the aforesaid applications, any papers necessary to protect said invention in foreign countries, and any preliminary statement required in interference proceedings in which such applications may be involved.

Executed as a sealed instrument on the date indicated below:
