**ASSIGNMENT
HUSKY INJECTION MOLDING SYSTEMS LTD.**

For value received, I (we) the undersigned whose full post office address(es) is (are) adjacent my (our) name(s), hereby sell, assign and transfer to **HUSKY INJECTION MOLDING SYSTEMS LTD.** the address of whose registered office is: 500 Queen Street South, Bolton L7E 5S5, Ontario, Canada (hereinafter called "Husky"), its successors, assigns and legal representatives, the entire right, title and interest, including all rights under and in any and all international conventions and treaties, for all countries in and to certain inventions relating to *Energy Management Apparatus & Method for Injection Molding Systems* identified in Husky's records as H-658 and/or

set forth in an application for letters patent of the United States of America,
 executed on _____, or
 filed on _____, Serial Number _____ / _____,

set forth in an international patent application,
 executed on _____, or
 filed on _____, Serial Number _____,

and all rights and privileges under and in any and all letters patent in all countries that may be granted for and derived from said inventions, with the intent that any such patent (including any division, extension, continuation or reissue) or other intellectual property protection shall be issued to Husky alone for its sole benefit or to its successors, assigns or legal representatives.

I (we) undertake without charge to Husky but at its request and expense to execute all documents, take all oaths and do all reasonable acts to enable Husky, its successors, assigns and legal representatives to procure and maintain patent or other intellectual property protection for said inventions in any and all countries and to vest title thereto in Husky, its successors, assigns or legal representatives.

I (we) agree that a copy of this Assignment shall be deemed a full legal and formal equivalent of any assignment, consent or the like which may be required in any country for any purpose and more particularly in proof of the irrevocable right of Husky, its successors, assigns and legal representatives to apply for and maintain patent or other intellectual property protection for said inventions in any and all countries and to claim the benefit of any right or priority.
