ASSIGNMENT

Whereas, Daniel Rignault, an individual, having a principal address at 18 rue Georges Lafenestre, 92340 BOURG LA REINE (hereinafter "Assignor"), according to the records of the United States Patent and Trademark Office, the United States Letters Patent No. 6,596,004 which issued on July 22, 2003,

Whereas, Creative Surgical SAS, a company having a principal place of business at 50 quai Louis Blériot, 75016 PARIS (hereinafter "Assignee") desires to acquire the entire right, title and interest in and to said patent, and the invention therein described, from Assignor, and Assignor is willing to assign the patent and invention to Assignee;

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, Assignor does hereby assign, transfer and set over to Assignee, the entire right, title and interest in and to said patent within the United States of America and its territorial possessions and in and to any and all divisionals, reissues, substitutions, continuations and continuations-in-part thereof and in and to any letters patent that may be granted thereon, together with the right to extend the protection of such patent to the various territorial possessions now owned or which may be hereafter acquired by the United States of America and all foreign countries, and the right to sue for damages for all infringements thereof, all said rights to be held and enjoyed by Assignee, for its own use and enjoyment and for the use and enjoyment of its successors and assigns to the full end of the term said patent as fully and entirely as the same would have been held and enjoyed by Assignor, if this assignment transfer and sale had not been made.
