## ASSIGNMENT

WHEREAS, John Modugno, of Custom Buoyancy of California, Assignor, has co-invented a new and useful BUOYANCY COMPENSATION DEVICE for which an application for a provisional United States Letters Patent was executed and filed by Robin Jacoway and Will Jacoway on or about March 1, 2002; and

WHEREAS, Assignor believes himself to be one of the original, first and co-inventors of the invention disclosed and claimed in the application for Letters Patent; and

WHEREAS, Robin Jacoway and Will Jacoway of DEEPOUTDOORS, INC., a California corporation, having a place of business at 12300 Stowe Drive, Suite A, Poway, CA 92064, Assignee, desire to acquire by formal, recordable assignment the entire right, title and interest in and to the invention, the application, and any Letters Patent that might be granted for the invention in the United States and throughout the world;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns and transfers to Assignee, his entire right, title and interest in and to the invention, the application, and any Letters Patent that might be granted for the invention in the United States and throughout the world, including the right to file foreign applications directly in the name of Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties or otherwise.

Further, Assignor agrees that, upon request and without further compensation, but at no expense to Assignor, he and his legal representatives and assigns will perform all lawful acts, including the execution of papers and the giving of testimony, that might be necessary or desirable for obtaining, sustaining, reissuing or enforcing Letters Patent in the United States and throughout the world for the invention, and for perfecting, recording, or maintaining the title of

Assignee, its successors and assigns, to the invention, the application, and any Letters Patent granted for the invention in the United States and throughout the world.

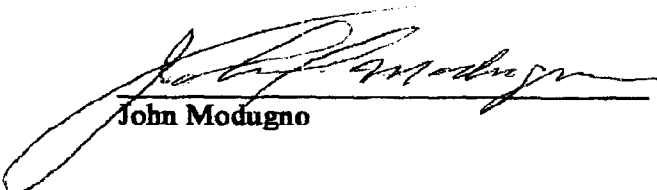

Assignor represents and warrants that he has not granted and will not grant to others any rights inconsistent with the rights granted by this Assignment.

Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Letters Patent granted for the invention whether on the application or on any subsequently filed division, continuation, continuation-in-part, or reissue application, to Assignee, its successors and assigns, as the assignee of the entire interest in the invention.

IN WITNESS WHEREOF, Assignor has executed this Agreement.
