ASSIGNMENT OF APPLICATION

Docket Number (Optional)

67652

Whereas, we, Abizer M. Khairullah, a resident of the city of Morgan Hill, State of California, Wade H. Swanson, a resident of the city of Modesto, state of California, and Ingrid A. Montgomery, a resident of the city of Stockton, State of California, are all citizens of the United States of America, hereafter referred to as applicants, have invented certain new and useful improvements in a METHOD FOR DEHYDRO-ROASTING.

☒ for which an application for a United States Patent was filed on November 1, 2004, Application Number 10/978,340.

☐ for which an application for a United States Patent was executed on _____, and

Whereas, ConAgra Foods Food Ingredients Company, Inc. of Omaha, Nebraska, herein referred to as "assignee" whose post office address is 11 ConAgra Drive, Suite 11-160, Omaha, Nebraska 68102 is desirous of acquiring the entire right, title and interest in the same;

Now, therefore, in consideration of the sum of ten dollars (\$10.00), the receipt whereof is acknowledged, and other good and valuable consideration, we, the applicants, by these presents do sell, assign and transfer unto said assignee the full and exclusive right to the said invention in the United States and the world, and the entire right, title and interest in and to any and all Patents which may be granted therefor throughout the world, in, to, and under the following:

- (a) said invention as fully set forth and described in the specification prepared, and executed by us preparatory to obtaining Letters Patent of the United States therefor;
- (b) said application;
- (c) any and all refilings, divisions, continuations, continuations-in-part, continued prosecution application, and request for continued examination of said application;
- (d) any and all Letters Patent of the United States of America which may issue from said application, refilings, divisions, continuations, continuations-in-part, continued prosecution application, and request for continued examination;
- (e) any and all reissues and reexaminations of said Letters Patent of the United States of America.
- (f) any and all applications for Letters Patent upon said invention which may hereafter be filed in any and all countries foreign to the United States of America;
- (g) any and all refilings, divisions, and continuations of said foreign-filed applications;
- (h) any and all Letters Patent of countries foreign to the United States of America, which may issue from the said foreign-filed applications, refilings, divisions, and continuations; and
- (i) any and all extensions of, and additions to, said Letters Patent of countries foreign to the United States of America.

We hereby authorize and request the Commissioner of Patents and Trademarks to issue said United States Patent to said assignee, of the entire right, title, and interest in and to the same, for its sole use and behoof; and for the use and behoof of its legal representatives, to the full end of the term for which said Patent may be granted, as fully and entirely as the same would have been held by us had this assignment and sale not been made.
