ASSIGNMENT

WHEREAS We, Edward L. Martin of 20 Black Elk Road, Sharon, Massachusetts 02067, and James Watkins of 21 Garfield Street, Floor 1, Taunton, Massachusetts 02780, citizens of the **United States of America** and the **United States of America**, respectively (hereinafter called **Assignors**) have invented certain new and useful improvements in **IMPROVED PROTECTIVE HELMET** for which an application for United States Letters Patent was filed on September 3, 2004, and given United States Serial No. 29/212,629; and

WHEREAS **Optical Engineering Company, LLC**, a limited liability company duly organized under the Laws of the **State of Delaware**, located at **85 Independence Drive, Taunton, County of Bristol, Massachusetts**, is desirous of acquiring the entire right, title and interest in and to said invention and in and to any Letters Patent that may be granted therefor in the United States and in any and all foreign countries;

NOW, THEREFORE, in consideration of Ten (\$10.00) Dollars, the receipt of which is hereby acknowledged, and other good and valuable consideration, **Assignors** have sold, assigned and transferred and by these presents do sell, assign and transfer unto the said **Optical Engineering Company, LLC, a limited liability company**, its successors and assigns the full and exclusive right, title and interest in and to said invention and in and to said patent application in the United States of America and its territorial possessions and in any and all foreign countries and the entire right, title and interest in and to any and all Letters Patent which may be granted therefor in the United States of America or in any and all said foreign countries and in and to any and all divisions, continuations, renewals, substitutions or reissues and extensions thereof for the full term or terms for which the same may be granted;

Assignors hereby covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment and sale;

Assignors hereby authorize and request the Patent and Trademark Office officials in the United States of America and any and all foreign countries to issue any and all of said Letters Patent, when granted, to said **Optical Engineering Company, LLC, a limited liability company**, as the assignee of **Assignors'** entire right, title and interest in and to the same for the sole use and behoof of said **Optical Engineering Company, LLC, a limited liability company**, its successors and assigns to the full end of the term for which any of said Letters Patent may be granted as fully and entirely as the same would have been held by **Assignors** had this assignment and sale not been made;

Further, **Assignors** agree to communicate to **Optical Engineering Company, LLC, a limited liability company** or its representatives any facts known to **Assignors** respecting said invention, to testify in any legal proceeding, to sign all lawful papers, to execute all divisional, continuation, substitution, renewal and reissue applications, to execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to said **Optical Engineering Company, LLC, a limited liability company**, to make all rightful oaths and generally to do everything possible to aid said **Optical Engineering Company, LLC, a limited liability company**, its successors and assigns to obtain and enforce proper protection for said invention in the United States of America and in any and all foreign countries without further compensation, but at the expense of **Optical Engineering Company, LLC, a limited liability company**, its successors, assigns or other legal representatives; and

Assignors hereby appoint the Secretary or any other officer of **Optical Engineering Company, LLC, a limited liability company** as **Assignors'** attorney-in-fact and agent to execute all documents required or appropriate to perfect or enforce all rights assigned under this Agreement and further authorizes **Assignors'** attorney and attorneys and the attorney and attorneys for **Optical Engineering Company, LLC, a limited liability company** to register this assignment in any and all countries.

IN TESTIMONY WHEREOF **Edward L. Martin and James Watkins** have
hereunto set their hands and seals this 27 day of October, 2004.
