TERMINATION AND RELEASE OF SECURITY INTEREST

This **TERMINATION AND RELEASE OF SECURITY INTEREST** dated as of September 24, 2004, from ING (U.S.) Capital LLC, as Administrative Agent (the "Secured Party"), to Coleman Cable Systems, Inc., a Illinois corporation, Baron Wire & Cable Corp., a Illinois corporation, The Dekalb Works Company, a Illinois corporation, Riblet Products Corporation, a Delaware corporation, Oswego Wire Incorporated, a Texas corporation, and Wire Equipment Company, Inc., a Texas corporation (collectively referred to herein as the "Assignor").

WITNESSETH:

WHEREAS, pursuant to the Security Agreement dated December 30, 1999 (the "Security Agreement") made by the Assignor (and the other parties signatory thereto) in favor of the Secured Party for the Lenders referenced therein, a security interest (the "Security Interest") was granted by the Assignor to the Secured Party, for the ratable benefit of the Lenders, in certain collateral, including the Intellectual Property Collateral (as hereinafter defined);

WHEREAS, the Security Interest was recorded with the U.S. Patent & Trademark Office on February 1, 2000 at Reel 010602 Frame 0569;

WHEREAS, the Security Interest was recorded with the U.S. Patent & Trademark Office on February 1, 2000 at Reel 2085 Frame 0944;

WHEREAS, the Security Interest was recorded with the United States Copyright Office on February 2, 2000 at Volume 3447 Page 597; and

WHEREAS, the Secured Party now desires to terminate and release the entirety of its Security Interest in the Intellectual Property Collateral.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, and upon the terms set forth in this Termination and Release of Security Interest, the Secured Party hereby states as follows:

1. **Definitions:** The term "Intellectual Property Collateral," as used herein, shall mean, as of the date hereof, all of the Assignor's right, title and interest of every kind and nature in:

(a) all of Assignor's United States and foreign patents and patent applications, including those identified on Schedule A, attached hereto and incorporated herein by reference, including the right to recover for all past, present and future infringements thereof and all reissues, divisions, continuations, continuations-in-part, substitutes, renewals, and extensions thereof, all improvements thereon, and all other rights of any kind whatsoever of such Assignor accruing thereunder or pertaining thereto;

(b) all of Assignor's United States and foreign trademarks, trade names, trade

dress, service marks, trademark and service mark registrations, and applications for trademark or service mark registration and any renewals thereof, including those identified in Schedule A, attached hereto and incorporated herein by reference, including all income, royalties, damages and payments now and hereafter due and/or payable with respect thereto (including without limitation damages for past or future infringements thereof), the right to sue or otherwise recover for all past, present and future infringements thereof, all rights corresponding thereto throughout the world (but only such rights as now exist or may come to exist under applicable local law) and all other rights of any kind whatsoever of each Assignor accruing thereunder or pertaining thereto, together in each case with the goodwill of the business connected with the use of, and symbolized by, each such trademark and service mark;

(c) all of such Assignor's right, title and interest, whether now owned or hereafter acquired, in and to all United States and foreign copyrights and copyright applications, including those identified on Schedule A, attached hereto and incorporated herein by reference, including the right to recover for all past, present and future infringements thereof and all reissues, divisions, continuations, continuations-in-part, substitutes, renewals, and extensions thereof, all improvements thereon, and all other rights of any kind whatsoever of such Assignor accruing thereunder or pertaining thereto;

(d) all license agreements regarding items (a)-(c) with any other party, whether such Assignor is a licensor or licensee under any such license agreement, including those listed on Schedule A, attached hereto and incorporated herein by reference, and the right to prepare for sale, sell and advertise for sale, all Inventory (as defined in the Security Agreement) now or hereafter owned by such Assignor and now or hereafter covered by such licenses; and

(e) all proceeds of any of the foregoing.

2. Release of Security Interest: The Secured Party hereby terminates, releases, discharges, quitclaims and relinquishes its Security Interest in the Intellectual Property Collateral, and any right, title or interest of the Secured Party in such Intellectual Property Collateral shall hereby cease and become void.

3. Further Assurances: The Secured Party hereby agrees to duly execute, acknowledge, procure and deliver any further documents and to do such other acts as may be reasonably necessary to effect the release of the Security Interest contemplated hereby.
