UNITED STATES PATENT AND PATENT APPLICATION ASSIGNMENT

WHEREAS, BP Corporation North America Inc. ("ASSIGNOR"), a corporation organized and existing under the laws of the State of Indiana, USA, is the owner, by assignment, of its entire right, title and interest in, to and under the United States Letters Patent and Applications for Letters Patent listed in Schedule E-1 hereto; and

WHEREAS, Propex Fabrics Inc. (formerly named AFIC Acquisition Co.) ("ASSIGNEE"), a corporation organized and existing under the laws of Delaware, desires to acquire ASSIGNOR's entire right, title and interest in, to and under said United States Letters Patent and Applications for Letters Patent, subject to rights, licenses, immunities and consents granted with respect thereto, and ASSIGNOR desires to assign to ASSIGNEE such United States Letters Patent and Applications for Letters Patent, subject to rights, licenses, immunities and consents granted with respect thereto.

NOW, THEREFORE, to all whom it may concern, be it known that for valuable consideration, the receipt of which is acknowledged, ASSIGNOR has sold, assigned, transferred and set over, and does hereby sell, assign, transfer and set over, unto ASSIGNEE, and ASSIGNEE hereby accepts, ASSIGNOR's entire right, title and interest in, to and under the aforesaid United States Letters Patent and Applications for Letters Patent and any and all inventions or improvements which are claimed or disclosed in the aforesaid United States Letters Patent and Applications for Letters Patent, together with any United States Letters Patent issuing from such Applications for Letters Patent and any reissued and reexamined patents issued from such Letters Patent and the right to file patent applications in any and all countries of the world for inventions or improvements claimed or disclosed in such United States Letters Patents or Applications for Letters Patent, in all cases subject to rights, licenses, immunities and consents granted with respect thereto, the same to be held and enjoyed by ASSIGNEE for its own use and behalf, and for the use and behalf of its successors, assigns, or other legal representatives, to the end of the term or terms thereof as fully and entirely as the same would have been held and enjoyed by ASSIGNOR if this assignment and sale had not been made, and the right to bring suit for past infringements of such United States Letters Patent.

ASSIGNOR does hereby authorize and request the issuing authority to issue any and all United States Letters Patent granted on such applications or improvements to ASSIGNEE.

IN TESTIMONY WHEREOF, ASSIGNOR and ASSIGNEE have caused this instrument to be signed by their duly authorized representatives, and ASSIGNOR has caused its corporate seal to be hereto affixed and attested, this 15 day of December, 2004.
