THIS DEED OF ASSIGNMENT is made on

20th May

2003

BETWEEN:

- (1) **WESTON AEROSPACE (2003) LIMITED** (formerly known as Solartron Group Limited), a company incorporated in England and Wales (registered no. 2852989), whose registered office is at Byron House, Cambridge Business Park, Cambridge CB4 4WZ (the "Assignor"); and
- (2) **WESTON AEROSPACE**, a company incorporated in England and Wales with unlimited liability (registered no. 03817397), whose registered office is at Byron House, Cambridge Business Park, Cambridge CB4 4WZ (the "Assignee").

THE PARTIES AGREE as follows:

1. DEFINITIONS

1.1 In this Deed of Assignment:

"Day" means each period of seven hours for which the Assignor provides assistance to the Assignee pursuant to clauses 4.1 or 5.1, whether or not assistance is provided continuously during such period and whether or not such period falls in a single calendar day or over two or more calendar days (whether successive or not successive);

"Sale Agreement" means the agreement dated 4 October 1999 and made between the Assignor, the Assignee and Norwich Aero Products Limited under which the Assignor agreed, *inter alia*, to assign the US Registered Patents and the US Patent Applications to the Assignee;

"US Patent Applications" means the applications for registration of patents in the US listed in part B of schedule 1 of this Deed of Assignment and shall include any patent granted pursuant thereto (or any other patent or patent application which claims priority therefrom); and

"US Registered Patents" means the patents registered in the US listed in part A of schedule 1 of this Deed of Assignment.

2. ASSIGNMENT

2.1 Pursuant to the Sale Agreement, the Assignor hereby assigns and transfers to the Assignee absolutely with full title guarantee:

2.1.1 all of its right, title and interest in and to the US Registered Patents and the US Patent Applications and all legal rights and immunities (howsoever derived) attaching thereto in each case free from all liens, charges and encumbrances and including (without limitation):

- (a) the right to sue for and to recover damages and other remedies in respect of any infringement of the US Registered Patents and the US Patent

Applications, or any other acts carried out by another person within the scope of the claims of any published specification of any of the US Registered Patents and the US Patent Applications which may have occurred before the date of this Deed of Assignment; and

- (b) the right to apply for, prosecute and obtain patents or similar rights or protection in respect of any of the inventions the subject matter of the US Registered Patents and the US Patent Applications in any country of the world (including the right to claim priority from the US Registered Patents and the US Patent Applications).

2.2 Without prejudice to the statutory covenants implied into this Deed of Assignment by Part 1 of the Law of Property (Miscellaneous Provisions) Act 1994, or otherwise to clauses 2.1 or 3, the Assignee hereby waives any right to sue for and recover damages:

2.2.1 under such statutory covenants; or otherwise

2.2.2 under clause 2.1.1 of this Deed of Assignment.

3. FURTHER ASSURANCE

3.1 The Assignor shall on request by the Assignee in writing and at the Assignee's expense do and execute or arrange for the doing and executing of, each necessary act, document and thing reasonably within its power to implement the assignment provided for in this Deed of Assignment.

4. ASSISTANCE WITH APPLICATIONS

4.1 The Assignor shall on request by the Assignee in writing give such assistance as the Assignee may reasonably request with the prosecution to grant of the US Patent Applications, subject to the payment by the Assignee of the Assignor's reasonable documented costs incurred in the provision of such assistance (including the cost of management time) up to a maximum total amount of £500 per Day regardless of the number and identity of the Assignor's personnel (including management personnel) engaged in the provision of such assistance during such Day.

5. ASSISTANCE WITH PROCEEDINGS

5.1 If in any proceedings a claim is made, at any time, impugning the validity of a US Registered Patent or a patent granted pursuant to a US Patent Application, the Assignor shall give all reasonable assistance to the Assignee in relation to those proceedings (including by participation in the proceedings) subject to the payment by the Assignee of all the Assignor's reasonable documented costs incurred in relation to those proceedings (including the cost of management time) up to a maximum total amount of £500 per Day regardless of the number and identity of the Assignor's personnel (including management personnel) engaged in the provision of such assistance during such Day.

6. **COSTS AND EXPENSES**

- 6.1 All costs and expenses incurred in the preparation and execution of this Deed of Assignment shall be borne in full by the Assignee.

7. **GOVERNING LAW**

- 7.1 This Deed of Assignment is governed by English law.
