ASSIGNMENT

WHEREAS, **KIMBLE E. LEDFORD**, having a post office address of 1656 Old Dahlonega Highway, Dahlonega, Georgia 30533 and **JOHN A. GADDIS**, having a post office address of 48 Summer Lane, Dahlonega, Georgia 30533 (hereinafter referred to as **ASSIGNORS**), are the joint and sole inventors of the invention entitled "**ADJUSTABLE SAFETY BUMPER**" as described in the specification forming part of a United States Application for Patent executed herewith.

WHEREAS, **TRANSFREIGHT TECHNOLOGY, LLC**, a limited liability company formed in the State of Georgia and having a business address of 1424 Candler Highway, Gainesville, Georgia 30507, (hereinafter referred to as **ASSIGNEE**) is desirous of acquiring the entire right, title and interest in and to the invention and in and to any letters patent that may be granted therefore in the United States and in any and all foreign countries;

NOW, THEREFORE, in exchange for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, **ASSIGNORS** hereby sell, assign and transfer unto said **ASSIGNEE**, the entire right, title and interest in and to said invention, any patent applications that may be filed for said invention, and any and all letters patent which may be granted for said invention in the United States of America and its territorial possessions and in any and all foreign countries, and in any and all divisions, reissues and continuations thereof, including the right to file foreign applications directly in the name of **ASSIGNEE** and to claim priority rights deriving from any United States application to which said foreign applications are entitled by virtue of international convention, treaty or otherwise, said invention, any application and all letters patent on said invention to be held and enjoyed by **ASSIGNEE** and its successors and assigns as fully and entirely as the same would have been held and enjoyed by **ASSIGNORS** had this assignment, transfer and sale not been made. **ASSIGNORS** agree to execute all instruments and documents required for the making and prosecution of applications for United

States and foreign letters patent on said invention, for litigation regarding said letters patent, or for the purpose of protecting title to said invention or letters patent therefore.
