**ASSIGNMENT**

**WHEREAS Omachron Technologies Inc. whose full post office address is 72 the Terrace, Katonah, New York, United States of America, 10536, is the owner of the inventions disclosed in the applications identified in the attached schedule, as well as the said applications and issued patent.**

**NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of all of which is hereby acknowledged Omachron Technologies Inc. hereby confirms that it has sold and assigned to G.B.D. Corp. of the Bahamas, as assignee, all our right, title and interest for Canada, and all other countries in and to the said inventions and all our right, title and interest in and to said patent applications and in and to any divisions, continuations, extensions of, and supplementary disclosures thereto, and in and to any patents that have been or may be granted for said invention and in and to any additions or modifications to said invention and G.B.D. Corp. hereby accepts the assignment for all countries.**

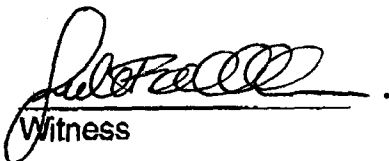

**Omachron Technologies Inc. agrees that it will without further consideration do all such things and execute all such documents as may be necessary or desirable to obtain and maintain patents for said inventions and for additions and modifications thereto in any and all countries, and to vest title thereto in said assignee, its successors, assigns and legal representatives or nominees.**

**Omachron Technologies Inc. authorizes and empowers said assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for said invention or for additions and modifications thereto, filed by it or them, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim**

such right of priority without further written or oral authorization from **Omachron Technologies Inc.**

The Commissioner of Patents & Trademarks is hereby authorized and requested to issue said Letter Patent to said **G.B.D. Corp.**, the assignee of the entire right, title and interest in and to the same, for its sole use and benefit; and for the use and benefit of its successors and assigns, to the full end of the term for which Letters Patent may be granted, as fully and entirely as the same would have been held by **Omachron Technologies Inc.** had this assignment sale not been made.

Executed at Katonah, New York U.S.A. this 20<sup>th</sup> day of June, 2003.
