ASSIGNMENT

WHEREAS, we, Anthony E. Boroch, a citizen of the United States of America, residing at 544 Vine Street, Montoursville, Pennsylvania 17754, U.S.A., and James E. Mothersbaugh, a citizen of the United States of America, residing at 601 South Main Street, Muncy, Pennsylvania 17756, U.S.A., have made a certain invention entitled System for Pneumatically Conveying Bulk Materials with Improved Discharge Arrangement, for which we are about to make application for letters patent of the United States of America; and

WHEREAS, The Young Industries, Inc., a corporation duly organized and existing under the laws of the Commonwealth of Pennsylvania, having a principal place of business at Muncy, Pennsylvania, U.S.A., is desirous of acquiring an interest therein.

NOW, THEREFORE, in consideration of Ten Dollars (US \$10.00), in currency of the United States of America, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we, Anthony E. Boroch and James E. Mothersbaugh, by these presents, do sell, assign and transfer unto said The Young Industries, Inc., our entire right, title and interest, for the United States of America and its possessions and territories, in and to said invention as described and claimed in said application for letters patent of the United States of America, executed by Anthony E. Boroch on the 6th day of May, 2004, and by James E. Mothersbaugh on the 6th day of May, 2004, preparatory to obtaining letters patent of the United States of America therefor, said application for letters patent of the United States of America, together with the right to file additional applications for letters patents or other forms of protection for said invention in all foreign countries, including all rights of priority created or conferred by any international convention or treaty to which the United States of America is a party or signatory, and in and to any letters patents or other forms of protection that may be granted

for said invention; said invention, applications for patents or other forms of protection and letters patents or other forms of protection, and any continuations, continuations-in-part, divisions, reissues, extensions and renewals thereof, to be held and enjoyed by said The Young Industries, Inc., for its own use and behoof and for its legal representatives, successors and assigns, to the full ends of the terms for which said letters patents may be granted, as fully and entirely as the same would have been held by us had this assignment and sale not been made.

For the same consideration, we hereby covenant and agree that we will and that our legal representatives shall execute and deliver any and all application papers, assignments, powers of attorney and other instruments that said The Young Industries, Inc., may consider necessary or advisable to secure letters patents or other forms of protection of the United States of America and all foreign countries for said invention, and any continuations, continuations-in-part, divisions, reissues, extensions and renewals thereof, and to vest and confirm in said The Young Industries, Inc., the full and complete legal and equitable title to said invention, applications and letters patents, or other forms of protection, without further consideration than that now paid but at the expense of said The Young Industries, Inc., its successors or assigns.

Executed this 6th day of May, 2004.

Anthony E. Boroch
